## Sheriff Bob White

*Our young people face many serious challenges today. As part of the Pasco Sheriff's Office's commitment to our youth, I am again hosting our annual golf tournament to support the many youth programs sponsored by this agency. These programs help young people in Pasco County develop good character building skills and self confidence. They also teach them how to make good life choices, and to accept responsibilities for those choices. Since our very first tournament in 1978, your generosity has helped to sustain these programs over the years. With your continued support, we hope to make our 2007 Sheriff's Golf Classic the best yet.*

*The 2006 Tournament was the first time we used two golf courses and set a fundraising record.*

*I invite you to make plans now to join us on Monday, October 29, 2007, and help us make a difference in the life of a child.*

*Sincerely,*

*Bob White, Sheriff*
