## Online Resources

Citizens can utilize many resources via the Pasco Sheriff's Office website at [www.PascoSheriff.com](http://www.PascoSheriff.com) to view important information about the law enforcement activity in their community.

By clicking on the Online Resources drop-down link at the top of the agency's website, citizens can view:

- Call activity, to include Active Calls, Dispatch Log, and Subdivision Activity;
- Arrest information, and Active Warrants;
- Public Alerts, including Most Wanted, Sexual Offenders, CrimeStoppers, and Caught on Camera ;
- How to sign up to receive E-lert notifications;
- Important links to other agencies and organizations.

Moving to the Community Services drop-down link, also located at the top of the Sheriff's Office website, citizens can view information on:

- Crime prevention and safety information;
- How to start a Neighborhood Watch Program;
- Youth Resources;
- Volunteer opportunities;
- Project Lifesaver, a program to electronically track people who wander.

The Pasco Sheriff's Office has also implemented a powerful new online tool called **CrimeReports™** aimed at improving communications with the community. Citizens can view local crime data for free from a link located on the Pasco Sheriff's Office website. Click on the Crime Reports symbol at the top of the page or visit [www.CrimeReports.com](http://www.CrimeReports.com).

CrimeReports is the starting point for citizens who wish to find out the type of crime that is reported in their neighborhood. There is a 72-hour delay in information that is provided via the website, to give deputies time to investigate crime before it is made available to the public.

## Features of CrimeReports

Utilizing the features of CrimeReports will allow citizens to:

- View online reports of crime in their community;
- Set-up daily, weekly, or monthly automated reports on a variety of crime types;
- Send anonymous crime tips to the Pasco Sheriff's Office;
- Access CrimeReports from their smart phone or mobile device.
