

## RFQ 2FY20 Vendor Question 25

1. In reference to the electrical power to the buildings, an electrical site plan was not issued with the bid documents. Please advise the location of the electrical transformer the utility company will be providing. Unless directed otherwise, one transformer will be anticipated for all three buildings 100' away for the secondary conduit run and 100' for the primary conduit run. **The electrical transformer is already in place at the intersection of Lucy Dobies Court and Charles Bo Harrison Way. It is in the northeast corner of the K9 site. Approximate location indicated in image below.**

2. No site lighting is indicated on the bid documents, therefore, costs for site lighting will not be included. Please confirm site lighting is not applicable to the project. **No we do not need site lighting.**
3. A fire alarm system is not indicated on the bid documents. Please confirm costs for a fire alarm system are not to be included. **A fire alarm system is not required.**
4. Please confirm the only low voltage (data) that is to be included is what is indicated on the electrical drawings and provided on Attachment A. **Yes, that is accurate.**
