

RFP Page	RFP Section Number/Name	Question
18, 36	#36	How many PPD tests are administered annually? Please refer to stats provided on PSO website
16	#31, vi.	In what facility are the 60 inmates being held? Hernando Where does the PSO plan to house the forecasted population increase that is above the jail capacity? PSO is working with County on temporary housing solutions.
20	#43	Can the PSO provide a list of current equipment that will be provided? Equipment, Computers, etc.? Please refer to PSO Vendor website.
32	L. Required Forms	<p>Instructions on page 32 list three forms:</p> <ul style="list-style-type: none"> a. Vendor Information & Affirmation Form b. Quote Annual Pricing c. Vendor Information, Remarks/Exceptions & Pricing <p>Page 33 appears to be a one-page form containing contractor information and affirmation.</p> <p>Pages 34-35 appear to be a two-page form with quote annual pricing embedded within.</p> <p>Are these the only two forms required for submission? Yes, forms are pages 33-35</p>

N/A	N/A	With the deadline for questions being Feb. 20, in order to allow time for the PSO to release answers to questions and bidders to take those answers into consideration to prepare a quality, responsive quote, would the PSO consider a two week extension on the deadline for proposals? No extension; Follow original submission date listed on the RFQ
14	25. Mental Health Programs	Is there any mental health group programming (i.e., behavioral therapy in a group setting)? If yes, who performs the group programming (e.g., volunteers)? Yes, Master level MHW
14	25. Mental Health Programs	Are 100% of patients on direct and psych observation currently being seen daily by the psychiatrist? Patients are seen daily by MHW, submit proposal with recommendations. Please confirm the current average number of patients that meet the requirement to be seen daily. Varies from day to day
12	18. Pharmacy Services	Are all psychotropic medications currently prescribed in liquid form, if manufactured? No Are crushed medications acceptable in lieu of liquid psychotropic medications? Yes
N/A	N/A	Is the jail operating under any court orders? No
12	18. Pharmacy Services	What percentage of drugs are provided within 8 hours out of stock medications and what percentage are patient-specific (outside of stock medication)? Varies, we use a No Miss medication list.
12	18. Pharmacy Services	The RFQ requires Medications will be received and/or

		delivered to the facility a minimum of two times per day Monday through Friday and once on weekends. Are medications currently routinely delivered twice per day? No local pharmacy is used only when meds are not available from primary vendor. If yes, are both deliveries from Diamond, or is the second delivery from a local pharmacy?
14	25. Mental Health Programs	The requirement states that a medical evaluation and routine lab work shall be performed on persons requiring segregation and psychotropic medications. Is this a medical record review to determine whether existing medical, dental or mental health needs contraindicate placement in seg or require accommodation? Medical evaluations are to be completed on all segregated inmates. Inmates on psychotropic medications need to have appropriate lab work/monitoring.
14	25. Mental Health Programs	What routine labs are performed on inmates requiring segregation and psychotropic meds? Is testing primarily for those taking antipsychotic medications that affect blood cell counts, lipids and renal function such as clozapine, lithium, valproic acid, and carbamazepine? See above
23	Inmate Medical Statistics	What are the top 10 prescribed biologic medications being prescribed currently included in the \$380,125.00? Please refer to stats provided on PSO website

22	Inmate Medical Statistics	Please indicate which specialties comprise the 540 specialty referrals (percentages). Due to acuity and variety of specialists, this varies.
9	Intake Medical Screening	What percentage of health intake screenings are currently completed within 2 hours of booking? All, with exception of non-compliant inmates. Vendor is not responsible for these.
22	Inmate Medical Statistics	The RFQ states no vacancies as of November 2018. How many vacant positions are there currently? None
22	Inmate Medical Statistics	Please provide the current required staffing plan to include for each position: the job title, # of hours per week, broken down by day and by shift. Proprietary
N/A	N/A	Who currently provides re-entry services for inmates? Is it under a separate contract? Is there a staff member of PSO assigned to this function? Open for proposals
5	Post Regulations and Staff Shortages	The language proposed for staffing shortages is significantly different than the current contract. Requiring vendors to fill every hour of every shift is likely to create a significant price increase. Is the PSO willing to consider alternative language that achieves full staffing without compromising operational needs that change on a daily basis? Every position currently gets filled, OT or PRN staff.
15	Methadone Treatment	Is the medical vendor financially responsible for the cost of methadone and treatments provided by Operation PAR? Yes

15	Hospitalization/ER Visits	Are all bidders required to providing pricing on all 3 options for services? 1) \$50k cap per inmate 2) Aggregate cap 3) County responsible
20	Additional financial responsibility	Please provide the current average monthly cost for long distance and printing that the medical vendor is being charged. No cost is being incurred. Vendor purchases own paper for printing
21	Inmate Medical Statistics Chart	Please provide the date range of your FY. 1 October – 30 September
23	Medical Statistics – Offsite Services cost	For the dollar amounts listed as expenditures for offsite services, were the amounts aggregated into the years using the actual dates of when services were rendered to patients? Or were the dollars aggregated by the dates ranges of when the claims were paid by the medical vendor? Will work on getting this answer
23	Medical Statistics – Offsite Services cost	The amount of offsite service cost for 2018 – 2019 is listed as \$1,308,846. Please provide the actual date range that this expenditure covers. Has this amount been annualized to reflect a full year of expense? 2018 Calendar year
28	Description of Firm	Please clarify the difference between #3 “size of the firm” and #4 “Number of employees.” In what way does the PSO want each contractor to describe the size of their firm? (e.g., geographic reach, number of clients, revenue)
Vendor Q&A 1	Question 24	Please provide the list of medications that are considered “Do Not Miss” that must be

		administered within 8 hours of the order. Proprietary
