- **Academics:** PACE Girls receive full credit for their classes and our small class sizes make it easy to catch up on any subjects you may have fallen behind in.
- **Career Planning:** Know what you want to be when you grow up? Or not? Our team stands ready to help you chart a path toward achieving your career goals OR helping you figure them out.
- **Life Coaching:** Every PACE Girl has their own personal fan-club filled with people who are trained to support them in developing mental and emotional strength.
- **Family Engagement:** PACE families are involved in each Girl's plan for achievement. Monthly family meetings ensure we are all pulling in the same direction of success for you!
- **Fun!** PACE Girls that are progressing toward their goals get rewarded with exciting field trips and cool experiences. From yoga instruction to dance classes, you never know what the day may hold!

Frequently Asked Questions

Is PACE a school?

PACE is more than a school. It is the place for girls who need more than a one-size-fits-all academic experience. We offer academic support, but that's just the beginning. Our team of trained counselors makes sure you have what you need after the school day ends to be successful. Whether that is employment or a place to stay, our support does not end when the last bell rings.

Is PACE the school for bad girls or pregnant girls?

Not at all. PACE Girls are Beautiful Awesome Dynamic young ladies who are full of potential. They have as much capacity as anyone for greatness and only need an environment filled with supportive people that are committed to helping them reach it.

PACE provides girls and young women an opportunity for a better future through education, counseling, training and advocacy.

What makes PACE different than other programs?

PACE offers a girl-centric educational experience where everyone is on your side. Every value and principle that we operate by is based on our unique focus on the needs of girls. From the receptionist to the teachers, we all know our girls' names and we believe in them... no matter what.

How much is PACE?

Cost? Free. Value? Priceless. There is no cost to you to attend PACE and we purposely keep our program size small so that our girls receive the individual attention they need and deserve.

PACE is where the FUTURE SHINES BRIGHT!

We provide a safe environment and services that take into account how girls learn. Our staff understands the lives of girls and stand ready to support you through your challenges.

Prior to coming to PACE, **79%** of our girls were failing one or more classes, but while at PACE **88%** of our girls improved academically. After leaving PACE, **92%** of our girls were in school, higher education, or employed.

The bottom line is this:

PACE WORKS, and this is why PACE GIRLS ROCK!

PACE Girls are full of promise and potential and, with TEAM PACE on their side, it's no wonder why they are changing the world as they transform themselves.
