1. INTRODUCTION

The Pasco Sheriff's Office ("PSO") invites interested contractors, companies, partnerships, and/or firms, hereinafter referred to as Proposers, to submit proposals for the delivery, installation, and configuration of network infrastructure for the FIRST Cybersecurity/SAR Building at the Pasco Sheriff's Office (PSO) in support of offices, classroom, conference room, and Situational Awareness Room based on specific business needs and unique functionality as set forth in the Technical Specifications Attachment A. It is the intent of this RFP to award a single contract to the highest ranked Proposer based on the following criteria:

- a) Proposer background, staffing, and experience: The character, integrity, reputation, judgment, experience, and efficiency of the Proposer.
- b) References: Provide five (5) references for the most recent projects of similar size completed by Proposer. Proposer shall include contact names, company name, phone numbers, date of recent project completion, and total contract amount.
- c) The quality of performance of previous contracts.
- d) Installation schedule and time of delivery of the project.
- e) Proposal Submission completeness and compliance with the specifications.
- f) Price. Pricing shall be a factor in evaluating the proposals; however, Pasco Sheriff's Office reserves the right to select a Contractor based on the listed criteria, instead of lowest proposal.
- g) Whether the Proposer is a local business.

Pricing is a factor, but it is not the determinative factor. The Proposers will be ranked based on an evaluation of criteria as described in Section 18 by five evaluators.

By submitting a Proposal, Proposers agree to all of the conditions of this Request for Proposal

2. COMMUNICATIONS DURING SOLICITATION AND LOBBYING PROHIBITION.

2.1 It is strictly prohibited for a proposer to communicate with or lobby evaluation committee members, Pasco Sheriff's Office employees, or elected officials (**including the duly elected Pasco County Sheriff**) regarding this Request for Proposal. The term "proposer" shall include the proposer or any member of the proposer's staff, an agent of the proposer, or any person employed by any legal entity affiliated with or representing an organization that is responding to this Request for Proposal outside a publicly noticed meeting specifically called to address this particular Request for Proposal. Nothing herein shall prohibit a prospective proposer from contacting the Purchasing Manager to request a public record, address concerns or grievances, or to receive clarification about a particular procurement.

2.2 For purposes of this provision, lobbying activities shall include, but not be limited to, influencing or attempting to influence action or non-action in connection with this Request for Proposal through direct or indirect oral or written communication or an attempt to obtain goodwill of persons and/or entities specified in this provision. Such actions may cause any proposal to be rejected.

2.3 The prohibition on communication with Pasco Sheriff's Office employees (including the duly elected Pasco County Sheriff) by proposers and their representatives regarding this Request for Proposal in which they have pecuniary interest begins upon issuance of the Request for Proposal and ends upon final award, when a protest is resolved, or when this Request for Proposal process is otherwise concluded, whichever occurs later. This prohibition does not apply to communication on other matters in which a proposer may have an interest outside of this Request for Proposal.

3. AMERICANS WITH DISABILITIES ACT

The Pasco Sheriff's Office (PSO) does not discriminate upon the basis of any individual's disability status. This non-discrimination policy involves every aspect of the PSO's functions. Anyone requiring reasonable accommodation to review the solicitation or for the public meetings related to this Request for Proposal should contact Purchasing at purchasing@pascosheriff.org and, if for a meeting accommodation, at least twenty-four (24) hours in advance of the meeting.

4. REQUEST FOR PROPOSAL

4.1 Request for Proposal Package. The Instructions to Proposers (Part I), the General Conditions of the Contract (Part II), the Request for Proposal, including addendums (Part III), and the Agreement (Part IV), together with all other documents identified in Article I of the General Conditions of the Contract (Part II), constitute the entire Request for Proposal Package, and upon award, shall constitute the Contract Documents concerning the above-referenced Project. Said Request for Proposal Package must be the basis upon which all Proposals are offered. It is the responsibility of each Proposer to ensure its responses clearly and directly respond to each of the requirements listed in Section 4.2, Outline Format for Response. The Response shall include full completion of Part III, including exhibits and appendices thereto. The Proposer must manually sign the Proposal in black or blue ink.

One (1) fully completed and executed original Proposal and four (4) copies must be submitted in a sealed envelope to the Pasco Sheriff's Office's Purchasing Department, along with any other documentation required by this Request for Proposal Package, at the time and place herein specified. Proposer shall also supply two (2) electronic copies of the entire Proposal, one complete copy clearly marked COMPLETE COPY and one redacted copy (with proprietary and confidential information removed) clearly marked REDACTED COPY. Electronic copies are preferred on a flash drive; a CD will also be acceptable. Except for the redacted information, the redacted copy must be identical to the original hard copies, reflecting the same pagination as the original and showing the space from which information was redacted. Proposer shall be responsible for clearly identifying all proprietary/confidential information and for ensuring the electronic copy is protected against restoration of redacted data. Emailed and faxed copies are not acceptable.

The failure of a Proposer to attend the mandatory pre-bid conference and/or failure to provide a sealed and marked envelope, five (5) bound copies of each response, as outlined above, and two (2) electronic copies as outlined above may result in disqualification of the Proposal as non-responsive. Errors or omissions in any Proposal submitted may result in the rejection or disqualification of the Proposal. PSO also reserves the right to waive minor irregularities in the RFP or the submitted responses and may cancel, re-advertise, postpone, or modify the RFP schedule at any time.

4.2 Outline Format for Response. This section outlines the format, information and documentation that Proposers must submit in response to this RFP to be considered responsive. In the event any of the following information is missing, the proposal shall be disqualified.

- A. Include an introductory letter from Proposer addressing the response.
- B. Proposer's Relevant Project Experience. Provide no more than three (3) relevant projects. Describe Proposer's experience with similar projects. Submit a listing of all current projects with contact person, contact telephone number, and total contract amount.
- C. Provide a schedule overview for the Project.
- D. Provide an estimated schedule of payments by month for the project. During each month of installation, Proposer should provide an estimate for billed work performed during that timeframe. Proposer may identify months by number (Month 1, Month 2, Month 3, etc).
- E. Prices must be quoted only upon the Proposal form attached hereto and identified as the Request for Proposal (Part III), and no other Proposals will be accepted. All prices quoted are to be F.O.B. for the designated Project site in Pasco County, Florida. Alternates may be proposed as requested and attached to the Proposal form for consideration by PSO. PSO reserves the right to accept or reject all, some, or none of the proposed alternates.
- F. Provide five (5) references for the most recent projects of similar size and scope completed by Proposer. Proposer shall include contact names, company name, phone numbers, date of recent project completion, and total contract amount.
- H. If claiming to be a local business, Proposers should provide a local business tax receipt showing a current principal place of business in Pasco County.

4.3 Delivery of Proposals. The Proposer is hereby directed to cause delivery of its Proposal for this Project to the Pasco Sheriff's Office Purchasing Department, 19415 Central Boulevard, Land O' Lakes, FL 34637, at any time prior to the deadline for submissions, which is specified above. The delivery of said Proposal to the PSO Purchasing Department, prior to the time and date stated in the preceding sentence, is solely and strictly the responsibility of the Proposer. The PSO will in

no way be responsible for delays caused by the United States Postal Service, other carriers, or for delays caused by any other occurrence. All Proposals must be manually and duly signed by an authorized corporate director or officer, authorized agent, or authorized partner (as applicable). All Proposals must be marked, on the outside sealed envelope, with the PROJECT NAME SPECIFIED ABOVE. The decision to refuse to consider a Proposal that was received beyond the date/time established above shall not be a basis for a protest.

4.4 Execution of Proposals. When a Proposer is a partnership, the Proposal shall be signed in the name of the firm and by all partners required to do so under the terms of their partnership agreement. When a corporation or limited liability company is a Proposer, the authorized director or officer signing the Proposal shall set out the legal name of the entity in full, beneath which said director or officer shall sign his or her name and give the title of his or her office, and the Proposal shall bear the seal of the corporation. Anyone signing the Proposal as an agent for the Proposer must file with the Proposal legal evidence of the authority to do so. A Proposer that is a corporation, a limited liability company or a limited partnership shall furnish to PSO a duly certified copy of its permit, certificate of registration with the Florida Secretary of State, or other authorization, if any, to transact business in the State of Florida, preferably along with the Proposal, and no later than forty-eight (48) hours after any request for the same is made by the PSO. In addition, any such authorization must be effective as of the date of the Proposal. Failure to submit evidence that the Proposer qualifies to transact business in the State of Florida as stated above may be the basis for rejection of the Proposal.

4.5 No Changes After Proposal is Delivered. Sealed Proposals may not be amended or otherwise changed by any writing placed outside the sealed proposal package; except, however, any such written external communication by a Proposer may be construed by the PSO as indicating a *withdrawal* of the proffered, sealed proposal to which the communication relates (thereby causing the Proposer to have issued *no proposal* for consideration by the PSO).

4.6 Other Responsibilities of the Proposer. The Proposer is solely responsible for reading and completely understanding the terms, conditions, and other requirements of the RFP/Contract Documents. The Proposal opening time shall be scrupulously observed. Under no circumstances will Proposals delivered after the delivery time specified be considered. Late Proposals will not be accepted.

4.7 Business Name Requirement. The Proposer must provide on the Pricing Form, Proposer/Certification Form, and if awarded, on all remittance of invoices for payment, the business name that is provided on their W9 Form. Additionally, if there is a name change and/or EIN number that is changed at any time, the Proposer must immediately notify the PSO Purchasing Department as to the change and provide all supporting documentation.

4.8 Withdrawal or Modification of Proposal. Proposals may be withdrawn on written or telegraphic requests dispatched by the Proposer in time for delivery in the normal course of business prior to the time fixed for the opening of Proposals; provided, however, that written confirmation of any telegraphic withdrawal over the signature of the Proposer is deposited with the United States Postal Service, postage pre-paid for first class or express mail delivery, and postmarked prior to the time set for the opening of Proposals. Except as specifically provided

herein, no Proposer may modify a proposal after the appointed proposal opening time. Negligence on the part of the Proposer in preparing its Proposal confers no right of withdrawal or modification of its Proposal after PSO staff has opened such Proposal at the appointed time and place. Proposers may not withdraw or modify their Proposals after the appointed Proposal opening time. Said Proposals and any proposal security shall be in force for a period of not less than ninety (90) days after the proposal opening time. Further, said proposal security and Proposal shall continue in force after said period of ninety (90) days, until thirty (30) days following the date of receipt by the PSO of written notice from the Proposer of its intent to withdraw its Proposal, or until the date specified in said written notice as the expiration date of the Proposal, whichever is later. The aforementioned proposal security or Proposal times will remain in effect irrespective of whether an award has theretofore been made by PSO. Notwithstanding the provisions of the preceding sentence, the Proposer may extend its Proposal at any time prior to the scheduled expiration thereof. Proposer may not assign or otherwise transfer their Proposals prior to, or after, the Proposal opening time.

4.9 Opening of Proposals. At the time and place fixed for the opening of Proposals (see above), every Proposal properly delivered within the time fixed for receiving Proposals will be opened and publicly read aloud, irrespective of any irregularities found therein. Any Proposer and other persons interested may be present or represented.

4.10 Power of Attorney. Attorneys-in-fact who sign bonds or other surety instruments must attach with each bond or surety instrument an effective and certified power of attorney.

4.11 Interpretation of Contract Documents. No interpretation of the meaning of the Drawings, Specifications, or other Contract Documents will be made to, or if made may be relied upon by, any Proposer except as expressly noted below. Every request for such interpretation must be in writing, addressed to the Purchasing Manager, and emailed to purchasing@pascosheriff.org. To be given consideration, such requests must be received prior to the question deadline as set by the solicitation. Any and all such interpretations and any supplemental instructions will be in the form of a written addendum which, if issued, will be posted at the Pasco Sheriff's Office Purchasing Department, and on the Pasco Sheriff's Office's public website under CITIZEN RESOURCES → RESOURCES → VENDOR RESOURCES and sent to each prospective Proposer, at the respective addresses furnished for such purposes not later than five (5) days prior to the proposal opening date. If requested, a copy may be obtained by the prospective Proposer or its representative at the Pasco Sheriff's Office Purchasing Department 19415 Central Boulevard, Land O' Lakes, FL 34637. Failure of any Proposer to acknowledge any such addendum or interpretation shall not relieve said Proposer from any obligation imposed in such addendum. All addenda so issued shall become part of the RFP/Contract Documents when the PSO has provided addenda within the time frame stated above. No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications of this solicitation.

4.12 Site Examination. Before submitting a Proposal, every Proposer must carefully examine the site of the proposed Work and make all necessary investigations to inform themselves thoroughly as to all difficulties involved in the completion of all Work required pursuant to the mandates and requirements of this Request for Proposal package. No pleas of ignorance of conditions or difficulties that may exist prior to the Proposal opening time, or of conditions or difficulties that may be encountered in the execution of the Work pursuant to this Request for Proposal package

as a result of a failure to make necessary and reasonable examinations and investigations, will be accepted as an excuse for any failure or omission on the part of the successful Proposer (i.e., the Contractor) to fulfill, in every detail, all of the requirements of the Contract Documents, nor will they be accepted as a basis for any claims whatsoever for extra compensation, or for any extension of time.

4.13 Confidential, Proprietary Information, or Trade Secrets. PSO will use reasonable efforts to protect the secrecy and confidentiality of and avoid disclosure or use of confidential or proprietary information or trade secrets, as defined in Florida Statute. In the event of dissemination, disclosure, or use of confidential or proprietary information or trade secrets information which is not permitted, PSO shall notify the other party promptly in writing and will use reasonable efforts to assist the other party in minimizing the damage resulting from an unauthorized disclosure. PSO shall notify Proposer of any requests for information so designated and Proposer shall bear the costs of any litigation which arises out of a dispute whether such information qualifies as confidential or proprietary information or trade secrets. If Proposer is informed of a request for information which it has claimed to be confidential or proprietary information or trade secrets and it does not promptly respond, then the PSO shall deem that Proposer has abandoned its claim of the information being a confidential or proprietary information or trade secrets and disclose the documentation according to a public records request pursuant to Florida Statute 119.07. In the event Proposer should assert any proprietary, confidential, or trade secret status to any of its systems, methods, procedures or written materials and other controls employed by Proposer in the performance of its obligation pursuant to this Agreement, then Proposer shall assert such claim on its own, and shall defend and hold harmless the Pasco Sheriff's Office, the Sheriff, the Sheriff's employees, officers, appointees and agents against all liabilities for Proposer's failure to comply with the requirements of the law with regard to the release of records. Proposer's Confidential Information and/or Trade Secret information shall not be disclosed by PSO to any third party except as permitted under this Agreement or as required by law subject to compliance with the procedure set forth in these Articles.

Proposer shall be responsible for clearly identifying all proprietary/confidential information/trade secrets in its proposal documents as specified and for ensuring the submitted electronic copies are protected against restoration of redacted data.

5. CONTRACTOR LICENSING, REGISTRATION, AND CERTIFICATION

5.1 Each Proposer shall be properly licensed, registered, and/or certified, as necessary or otherwise appropriate, by the State of Florida, Pasco County, and/or any municipality in Pasco County, for each category of Work specified in this proposal. The PSO reserves the right to request copies of such licenses, registrations or certifications.

5.2 For categories of work that are exempt from licensing, registration, and/or certification requirements under Florida Statute, but where certification by the Florida Department of Transportation is available, the Proposer shall be certified by the Florida Department of Transportation in each category, as necessary or otherwise appropriate.

5.3 All required licenses, registrations, and/or certifications must be current and effective as of the Proposal Opening date and must be maintained throughout the life of the contract. Failure to be properly licensed, registered, and/or certified as of the Proposal Opening date will result in rejection of the proposal as non-responsive, and at any other time during the life of the contract shall constitute sufficient grounds for a declaration by the PSO that the Contractor is in default and for termination of the contract for cause by the PSO.

6. OFFICIAL DOCUMENTS

PSO is not responsible for expenses incurred prior to award, including any attorneys costs or fees resulting from a pre-litigation proposal protest. PSO officially distributes these Request for Proposal documents through an online system Demand Star at www.demandstar.com. These Request for Proposal documents may be downloaded at NO COST using this system. These Request for Proposal documents may also be obtained from the Pasco Sheriff's Office's public website www.PascoSheriff.com under CITIZEN RESOURCES → RESOURCES → VENDOR RESOURCES. Copies of these Request for Proposal documents obtained from other sources are not considered official and should not be relied upon. PSO is not responsible for documents obtained from sources other than Demand Star or our public website. Vendors are responsible for acquiring knowledge of changes, modifications, or additions to official Request for Proposal documents. Vendors who submit responses and later claim they did not receive complete documents or had no knowledge of any change, modifications, or additions made to the official Request for Proposal documents shall still be bound by the Request for Proposal, including any changes, modifications, or additions to the official Request for Proposal documents. **IF YOU OBTAINED A REQUEST FOR PROPOSAL DOCUMENT FROM A SOURCE OTHER THAN THE DEMANDSTAR ONLINE SYSTEM OR THE PASCO SHERIFF'S OFFICE PUBLIC WEBSITE, IT IS HIGHLY RECOMMENDED THAT YOU REGISTER AS A VENDOR AND DOWNLOAD THE OFFICIAL DOCUMENT AT WWW.DEMANDSTAR.COM OR FROM OUR PUBLIC WEBSITE WWW.PASCOSHERIFF.COM AT NO COST.**

7. CONFLICT OF INTEREST

The Proposer, by submission of its Proposal, certifies that to the best of his/her knowledge or belief, no elected/appointed official or employee of PSO is financially interested, directly or indirectly, in the offer of goods or services specified in this Request for Proposal.

8. DEBARMENT

By submitting a Proposal, the Proposer certifies that it is not currently debarred from submitting proposals for contracts issued by any political subdivision or agency of the State of Florida and that it is not an agent of a person or entity that is currently debarred from submitting proposals for contracts issued by any subdivision or agency of the State of Florida.

9. COLLUSION AMONG PROPOSERS

Each Proposer, by submitting a proposal, certifies that it is not a party to any collusive action or any action that may be in violation of the Sherman Antitrust Act. Any or all proposals shall be rejected if there is any reason for believing that collusion exists among the proposers. PSO may or may not, at its discretion, accept future proposals for the same work from participants in such collusion. More than one (1) proposal from an individual, firm, partnership, cooperation, or association under the same or different names may be rejected. Reasonable grounds for believing that a Proposer has interest in more than one (1) proposal for the work being proposed may result in rejection of all proposals in which the Proposer is believed to have interest. Nothing in this clause shall preclude a firm acting as a subcontractor to be included as a subcontractor for two (2) or more primary contractors submitting a proposal for the work.

10. TAXES

The attention of the Proposer is directed to the fact that the tax laws of the State of Florida, including but not limited to Chapter 212, Florida Statutes, apply to this matter, and that all applicable taxes and fees shall be deemed to have been included in Proposal of the Proposer. However, PSO is a tax exempt organization and will provide a tax exempt certificate upon request.

11. PROPOSAL ERRORS

The Proposer should initial erasures or corrections in any Proposal in ink. PSO shall reject any Proposal with such erasures or corrections where PSO staff concludes it cannot determine with certainty the accuracy or intent of said Proposal, as corrected. In the case of unit price contracts, if an error is committed in the listed price of an item, the Contractor shall be bound by the lower of the unit price as shown in the Proposal or Contractor's stated price. Unit prices will be utilized to adjust the total compensation due the successful Proposer based on actual quantities encountered. *No negotiation of these unit prices after contract award will be allowed.* Significant changes in quantities, including total deletions, are possible. Therefore, each Proposer shall proportionately distribute overhead and profit across the unit prices.

12. DEVIATIONS

No material deviations or exceptions shall be accepted with the Proposal. This shall not preclude the proposal of substitute brand names, pursuant to paragraph 14 below.

13. CONDITION OF MATERIALS AND PACKAGING

In instances where the Specifications make this subject applicable (and unless otherwise indicated), all goods and items offered for sale and/or shipped by the successful Proposer pursuant to the requirements imposed upon said Proposer by this request for proposal package, will be new and of good quality; all related containers being new and suitable for storage and shipment; and all prices shall include the cost of standard commercial packaging. The successful Proposer shall be solely responsible for making any and all claims against carriers as concerns missing or damaged items.

14. BRAND NAMES, REQUESTED INFORMATION, AND DESCRIPTIVE LITERATURE

In instances where the RFP/Contract Documents make this subject applicable, any use therein of brand names, manufacturer's makes, trade names, information and/or catalog numbers are so used for the purpose of providing description and for establishing acceptable quality levels. Such references are not intended for the purpose of placing restrictions upon a Proposer (other than as to quality), and any Proposer may propose and describe brands believed to be equal or better than the otherwise-specified brand. The burden of proof that the brand proposed by the Proposer is in fact equal to that referenced in the RFP/Contract Documents lies exclusively with the Proposer. In the event that PSO staff determines that the equal proposed by the Proposer does not meet the specifications, the successful Proposer shall be required to provide the named brand item, or an equal acceptable to PSO, at no additional cost to PSO.

Each Proposer must furnish all requested information in the spaces provided on the Proposal (Part III). Additionally, where required pursuant to the provisions of this request for proposal package, each Proposer must submit the following with their Proposal: catalog cuts, sketches, descriptive literature, and/or complete specifications relative to the items proposed and offered. References to previously submitted material concerned with previous Proposals are not acceptable to PSO.

15. COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH ACT

All material, equipment, etc., as proposed and offered by a Proposer, in instances where applicable due to the nature of the matter with which this RFP package is concerned, must meet and conform to all O.S.H.A. requirements as set forth in Subpart E of the O.S.H.A. Standards for Construction (29 CFR 1926), as amended. The signature of the Proposer or of the authorized representative thereof upon the Proposal (Part III) shall constitute certification of such fact.

16. TIME IS OF THE ESSENCE; LIQUIDATED DAMAGES

Each Proposer is reminded that *time is of the essence of this Agreement*, and failure to complete the Work on time shall constitute a material breach of the Agreement, the basis for a determination of the default of the Contractor, and termination of the Agreement for cause. If the RFP/Contract Documents so indicate, an amount determined for liquidated damages at the daily rate specified shall be assessed against the successful Proposer not complying with a stated delivery time or performance time (or similarly stated information) as found in the Agreement (Part IV).

17. ASSIGNMENT OF THE CONTRACT

No successful Proposer may make any assignment of any resulting Agreement between the parties, in whole or in part, without the prior written authorization of the PSO, which authorization shall remain the exclusive option of the PSO or its designee.

Proposer #2 Price = \$160,000.00	$\frac{\$200,000.00}{\$160,000.00} = 1.25 \times 25 = 31.25$ points (rounded to 31.3 points)
Proposer #3 Price = \$240,000.00	$\frac{\$200,000.00}{\$240,000.00} = 0.83 \times 25 = 20.83$ points (rounded to 20.8 points)

In the event a calculated score results in a decimal number, the final value for this section will be rounded to the nearest tenth.

Total scoring is a mathematical addition of the criteria score. Consideration for award is determined by the objective scoring criteria shown as outlined in these documents. The evaluation of responses will be made on the basis of comparative fulfillment of the criteria, as outlined above. In the event a Proposal is non-responsive in any category, it may be stricken as non-responsive and will not be considered. Complete and accurate responses to all items are necessary for the complete and fair evaluation of Proposals.

The selected Proposer will be so notified by PSO staff, and shall be required, upon receiving such notice, to complete the Contractor Responsibility Survey form and provide all information and documentation requested therein. If, after reviewing the responsibility survey and accompanying

submissions, the PSO elects to reject the selected proposer based on its responsibility evaluation, the PSO may perform the same responsibility evaluation, in succession, with each apparent next selected proposer until the contract is awarded to a suitable candidate or withdrawn.

No award of the contract shall be made until the Proposer who has received from the PSO a Notice of Intent to Award has submitted to PSO a performance bond, payment bond, and any and all insurance certificates and such other further documentation as may be required by PSO as a condition precedent to such an award.

A Proposal may be rejected upon the failure of a selected Proposal to provide to PSO in a timely fashion any such required documentation. The PSO, in its sole discretion, reserves the right to reject any and all Proposals and to waive any informality concerning Proposals whenever such rejection or waiver is deemed by the PSO to be in the best interests of the PSO. Likewise, PSO reserves the right to reject the Proposal of any Proposer that has previously failed to perform properly, or to complete on time, contracts of a similar nature; that is not, or does not appear to the satisfaction of PSO, in a position to perform the contract; or that has habitually, and without just cause, neglected the payment of bills or otherwise disregarded its obligations to subcontractors, material men, or employees.

The ability of a Proposer to obtain a performance bond or a payment bond shall not be regarded as the sole test of the competency or responsibility of any Proposer. In the event a selected proposal exceeds the PSO's budget amount from the appropriation, the PSO reserves the right to purchase by negotiation.

19. EXECUTION OF WRITTEN CONTRACT

The Proposer receiving from PSO a Notice of Intent to Award will be required to sign and submit to PSO, within ten (10) days after the issuance of said notice, a written agreement that has been made a part of this request for proposal package and identified as the Agreement (Part IV). Said written agreement will evidence in written form the contract to be made by PSO following award by PSO to the successful Proposer. For Projects involving funds from DEP, EPA, or involving state or federal funds, or a state appropriation, the ten (10) day period will not begin to run until after PSO has received approval of the award by the applicable awarding state/federal agency or DEP and/or EPA, as applicable. The Contract shall be contingent upon the timely provision by the Proposer to PSO of all documentation required by these contract documents, and may be unilaterally terminated by PSO for cause upon the failure of the Proposer to supply said bonds, insurance certificates and other required documentation within the time frames set forth in the Contract Documents.

20. PROPOSAL GUARANTY

The Proposer who is awarded the contract will be required to complete and sign a Proposal Guaranty form attached. The Proposal Guaranty is required regardless of the award amount of the Agreement.

21. PERFORMANCE BOND AND PAYMENT BOND

☒ A Performance Bond and Payment Bond is not required for this Agreement

☐ A Performance Bond and Payment Bond will be required regardless of the award amount of this Agreement.

☐ A Performance Bond and Payment Bond will be required on this Agreement only if the amount of award is Two Hundred Thousand Dollars and No Cents (\$200,000.00) or greater.

The Performance Bond shall be issued in a sum equal to one hundred percent (100%) of the total awarded contract amount by a surety company considered satisfactory by PSO and authorized to transact business in the State of Florida, and shall be provided by the successful Proposer for purposes of insuring the faithful performance of the obligations imposed by the resulting contract. The Payment Bond shall be issued in a sum equal to one hundred percent (100%) of the total awarded contract amount by a surety company considered satisfactory by PSO and authorized to transact business in the State of Florida, and shall be provided by the successful Proposer for purposes of protecting PSO from lawsuits for non-payment of debts as might be incurred during the performance by the successful Proposer under such contract. The Performance Bond and Payment Bond forms have been included in the Contract Documents as Exhibits A and B in Part II, and said forms must be properly executed by the surety company and the successful Proposer and submitted to PSO staff within ten (10) days after issuance of Notice of Intent to Recommend Award by the PSO PURCHASING MANAGER. In lieu of the bonds required by this section, the successful Proposer may file with PSO an alternative form of security that shall be in the form of cash, money order, certified check, cashier's check, irrevocable letter of credit, or a security of the type listed in Part II of Chapter 625, Florida Statutes. Such alternative forms of security shall be for the same purpose and shall be subject to the same conditions as those applicable to the bonds required by this section. The determination of the value and acceptability of such alternative forms of security shall be made exclusively by PSO.

22. SECURITY FORFEITURE

If within ten (10) days after the issuance of the Notice of Intent to Recommend Award, the successful Proposer refuses, or otherwise neglects, to execute and deliver the required Agreement, or fails to furnish the required Performance and Payment Bonds, or acceptable alternative forms of security as stipulated herein, or any required insurance certification, the amount of the proposal security provided by said Proposer, whether cash, check, Proposal Guaranty, or some other acceptable form, or any combination of these, may be forfeited, and the Proposer shall be excluded from further consideration for award of the contract. No plea of mistake in the proposal or misunderstanding of the conditions of forfeiture shall be available to the Proposer for the recovery of its security, or as a defense to any action based upon the neglect or refusal to execute the required Agreement, and/or to furnish the required bonds and /or applicable insurance certification.

23. LAWS AND REGULATIONS

All applicable Federal, State, and local laws, ordinances, rules and regulations shall apply to this Agreement throughout, and they will be deemed to be included in the Agreement as though herein written. Florida law will govern all questions concerning implementation and execution of this

contract and shall also be controlling in any cause of action brought pursuant to this contract. Venue shall be in Pasco County, Florida or the Middle District of Florida, Tampa Division. Except as outlined herein, in the event of a dispute, each Party is responsible for their own attorney's fees and costs.

24. CONTRACTUAL OBLIGATIONS

The successful Proposer may not sublet or subcontract any of the contractual obligations concerning this matter except as provided for in the written contract between PSO and the Contractor. This statement does not prohibit subcontracting of the Work but does prohibit subcontracting overall management obligations pertaining to the Work, or any substantial component thereof, and not more than eighty percent (80%) of the Work, as measured against the Contract Price, shall be subcontracted under any circumstances. This limitation on subcontracting shall not apply to any aspect of the Work that involves the supply of equipment or materials alone. The Contractor shall retain ultimate liability for all contractual obligations.

25. LACK OF FUNDING

All funds for payment by the PSO under the resulting contract are subject to the availability of appropriated funds for this purpose to the PSO. In the event sufficient funds are not appropriated for the NETWORK INFRASTRUCTURE FOR THE FIRST CYBERSECURITY/SAR BUILDING, the PSO will terminate the contract, without termination charge or other liability. If at any time funds are not appropriated for the continuance of this contract, cancellation shall be accepted by the Consultant on thirty (30) days' prior written notice, but failure to give such notice shall be of no effect and PSO shall not be obligated under this contract beyond the date of termination.

A decision by PSO to procure and pay for such insurance coverage shall not operate as a waiver of any of its rights under the Contract Documents.

2.2.9 In addition to being listed as a certificate holder, all liability insurance policies obtained by the CONTRACTOR to meet the requirements of the Contract Documents, other than the Worker's Compensation and Employer's Liability Policy, shall provide that the PSO, the Sheriff, and its employees and agents, shall be "additional insureds" under the Policy and shall also incorporate a Severability of Interest provision. The required Certificates of Insurance shall name the types of policies provided, and shall refer specifically to this Contract.

2.3 Untimely Submission. The failure of the CONTRACTOR to submit the required Certificates of Insurance within the times required by these Articles may result in a delay in issuing the Award. The parties specifically agree that such a delay is neither excusable nor compensable and will not entitle the CONTRACTOR to a change in the Contract Price or Time. The PSO also reserves the right to reject the CONTRACTOR’s Proposal and to award the contract to the next selected Proposer if the required documents are not received within the timeframe specified herein.

2.4 Indemnification

2.4.1 The CONTRACTOR shall indemnify and hold harmless the PSO, the Sheriff of Pasco County, and the employees and agents of PSO from, and against, all liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to

attorneys' fees, arising out of, or resulting from, the performance of the Work, provided that any such liability, claim, suit, demand, damage, loss or expense: (a) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom; and (b) is caused in whole or in part by the negligence, recklessness or intentional wrongful misconduct of the CONTRACTOR, any SUBCONTRACTOR, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable in the performance of the Contract.

2.4.3 The CONTRACTOR shall indemnify and hold harmless the PSO and anyone directly or indirectly employed by the PSO from and against all claims, suits, demands, damages, losses, and expenses including, but not limited to, attorney's fees, arising out of any infringement of patent rights, copyrights, trademarks, trade dress, or other intellectual property rights held by others, and shall defend all such claims in connection with any alleged infringement of such rights.

2.4.4 The CONTRACTOR shall, at the option of PSO, underwrite on an interim basis all expenses associated with the legal defense of the PSO, pending the outcome of any litigation through appeal, with respect to any liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, for which the CONTRACTOR may be liable to PSO, in whole or in part, pursuant to the above, irrespective of whether said liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, may ultimately be found by a court of law to have been caused, in whole or in part, by the negligence or other fault of PSO. In discharging this duty to PSO, the CONTRACTOR shall strictly account to PSO on a monthly basis for all expenditures so incurred. Upon the conclusion of any litigation through appeal, to the extent that the CONTRACTOR has been found less than fully liable for any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, PSO shall reimburse the CONTRACTOR for that portion of the reasonable costs of underwriting the legal defense of PSO.

2.4.5 With respect to, and in consideration for, the indemnifications provided herein by the CONTRACTOR, as well as the duty of the CONTRACTOR, at the option of PSO, to underwrite the legal defense of PSO pending the outcome of any litigation through appeal, PSO agrees to pay to the CONTRACTOR as a, separate consideration, the sum of \$100.00, the sufficiency and receipt of which is hereby acknowledged.

2.4.6 Notwithstanding any language to the contrary which may be contained herein, the ultimate duty of the CONTRACTOR to indemnify and hold PSO harmless shall be limited to the extent that any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, are caused by the negligence, recklessness, or intentional wrongful misconduct of the indemnifying party and persons employed or utilized by the indemnifying party in the performance of the contract.

ARTICLE 3 – RESPONSIBILITIES OF THE CONTRACTOR

3.1 Supervision. The CONTRACTOR shall supervise and direct the Work efficiently and with its best skill and attention. The CONTRACTOR shall be solely responsible for the means, methods, techniques, sequences, and procedures of installation unless specifically addressed in the Contract Documents. The CONTRACTOR shall be responsible for seeing that the finished Work complies accurately with the Contract Documents. The CONTRACTOR shall cooperate with and be responsible for coordination of the Work with other contractors and/or utilities at the Site in accordance with the Specifications, if applicable. 3.2.3 All materials and equipment shall meet or exceed contract specifications and, except as may otherwise be provided in the Contract Documents, shall be new and of good quality. When requested by the PROJECT MANAGER, the CONTRACTOR shall furnish promptly a statement of the origin, compositions, and manufacture of any and all materials to be used in the installation of the Work, together with samples that may be subjected to the tests provided for in the Specifications, to determine their quality and fitness for the Work. The CONTRACTOR shall further promptly supply, at the request of the PROJECT MANAGER, certification from the supplier of any material to be incorporated into the Work that said material meets or exceeds the Specifications.

3.2.4 At any time during the course of the CONTRACT, with respect to any and all materials and equipment to be used in the installation of the Work, the PROJECT

MANAGER may request, and upon such request the CONTRACTOR shall furnish in form and substance satisfactory to the PROJECT MANAGER within ten (10) days, documentation which provides reasonable assurances to PSO that the CONTRACTOR will be able to furnish said materials and equipment, all of proper quality and quantity in a timely manner. Any and all risk of fluctuation in the market price of materials or equipment, or the availability thereof, shall remain at all times the sole responsibility of the CONTRACTOR.

3.3 Substitute Materials or Equipment. In the event the CONTRACTOR notifies the PROJECT MANAGER that certain materials or equipment described in the CONTRACT cannot be procured by the CONTRACTOR for the project, or should the DIRECTOR, upon the recommendation of the PROJECT MANAGER, find to be inadequate the documentation submitted by the CONTRACTOR in response to a request for reasonable assurances of ability to furnish the materials or equipment as described above, PSO may, as its option:

- a. Waive any specification with respect to said materials or equipment, authorize acceptable substitute materials or equipment, and make an appropriate adjustment to the amounts due the CONTRACTOR for the cost of said materials or equipment, including labor, and other expenses associated with the change; or
- b. Procure the materials or equipment itself and charge the actual cost thereof, including labor and other incidental expenses incurred by the PSO, to the CONTRACTOR by deducting said costs and expenses from amounts otherwise due the CONTRACTOR.

Approval of any change in costs or schedule as a result of tentative acceptance of the substitute by the DIRECTOR, based on the recommendation of the PROJECT MANAGER, shall be by Change Order.

3.4 Concerning Subcontractors

3.4.1 The CONTRACTOR may not subcontract overall management obligations pertaining to the Work, or any substantial component thereof, and not more than eighty percent (80%) of the Work shall be subcontracted under any circumstances. This limitation on subcontracting shall not apply to any aspect of the Work that involves the supply of equipment or materials alone. The CONTRACTOR shall retain ultimate liability for all contractual obligations under the Contract Documents. The CONTRACTOR shall further be fully responsible for all acts and omissions of SUBCONTRACTORS, and of persons directly or indirectly employed by them, and of persons for whose acts any of them may be liable to the same extent as if the CONTRACTOR had employed them. Nothing in the Contract Documents shall create any contractual relationship between any SUBCONTRACTOR and PSO or any obligation on the part of PSO to pay or to see to the payment of any monies due any SUBCONTRACTOR, except as may otherwise be required by law. PSO may furnish to any SUBCONTRACTOR, to the extent practicable, evidence of amounts paid to the CONTRACTOR for specific Work done.

3.4.2 Any divisions and sections of the Specifications and the identifications of any Drawings shall not control the CONTRACTOR in dividing Work among SUBCONTRACTORS or delineating the Work to be performed by any specific trade.

3.4.3 The CONTRACTOR agrees to bind specifically every SUBCONTRACTOR, by way of an appropriate written agreement, to the applicable terms and conditions of the Contract Documents, including but not limited to the General Conditions, Special Conditions, and Technical Specifications, for the benefit of PSO .

3.4.4 All Work performed for the CONTRACTOR by a SUBCONTRACTOR shall be pursuant to an appropriate written agreement between the CONTRACTOR and the SUBCONTRACTOR which shall contain provisions that waive all rights the contracting parties may have against one another for damages cause by fire or other perils covered by insurance, except such rights as they may have to proceeds of such insurance held by PSO as trustee. The CONTRACTOR shall pay each SUBCONTRACTOR an appropriate amount determined by value of Work, of any insurance monies received by the CONTRACTOR under this insurance.

3.4.5 PSO as Intended Beneficiary of Subcontracts. PSO shall be an intended substantial beneficiary of the written agreements between the CONTRACTOR and its SUBCONTRACTORS.

3.6.1. PSO and CONTRACTOR may agree to utilize a private provider to complete permitting and inspections.

3.7 Laws and Regulations. The CONTRACTOR shall give all notice and comply with all laws, ordinances, rules, and regulations applicable to the Work. If the CONTRACTOR observes that any of the Contract Documents are contradictory to such laws, rules, and regulations, the CONTRACTOR will notify the PROJECT manager promptly in writing. An appropriate Change Order shall then be used to institute any necessary changes. If the CONTRACTOR performs any Work that it knows or should have known to be contrary to such laws, ordinances, rules and regulations and without such notice to the PROJECT MANAGER, the CONTRACTOR shall bear all related costs.

3.7.1 LAW COMPLIANCE. Each party will comply with all applicable federal, state and local laws, rules, regulations and guidelines, related to performance under this Agreement. In particular, the CONTRACTOR verifies and affirms that it is in compliance with 8 USC Sec. 1324 prohibiting the employment either directly or by contract, subcontract or exchange of unauthorized aliens in the United States. PSO will consider the employment of unauthorized aliens by any CONTRACTOR during the term of the Agreement a violation of the Immigration and Nationality Act. Such violation shall be cause for unilateral cancellation of this Agreement by PSO.

The CONTRACTOR shall confine its equipment, the storage of materials and equipment, and the operations of its workers to the area permitted by law, ordinances, permits, or the requirements of the Contract Documents. The CONTRACTOR shall not unreasonably encumber the Site with materials and equipment. - c.** Other property at the Site or adjacent to it, including trees, shrubs, lawns, walks, pavements, roadways, structures, and utilities not designated for removal, relocation, or replacement in the course of installation.

3.11 Emergencies. In emergencies affecting the safety of persons, the Work or property at the Site or adjacent thereto, the CONTRACTOR, without special instructions or authorization from the PROJECT MANAGER, and then only if time or circumstances do not permit such special instructions or authorization, is obligated to prevent or mitigate threatened damage, injury, or

loss. The CONTRACTOR shall give the PROJECT MANAGER written notice that the emergency provision has been invoked and shall state the reasons therefore within twenty-four (24) hours of the incident. If the CONTRACTOR believes the emergency resulted in additional Work, an otherwise untimely claim for a Change Order is permissible and may be submitted in accordance with the procedures set forth herein.

3.11.1 The CONTRACTOR shall immediately notify the PROJECT MANAGER of all events involving personal injuries to any person on the Site, whether or not such person was engaged in the installation of the Project, and shall file a written report on such person(s) and any other events resulting in property damage of any amount within five (5) days of the occurrence of each such event.

3.11.2 The PROJECT MANAGER upon learning of an emergency situation threatening the safety of persons or the integrity of property shall immediately report the circumstances to the DIRECTOR. If the DIRECTOR is unavailable to provide direction, or if the circumstances do not allow the PROJECT MANAGER a reasonable opportunity to seek guidance from the DIRECTOR, the PROJECT MANAGER may direct the CONTRACTOR to call out Work crews, equipment and materials to prevent threatened damage, injury or loss. The CONTRACTOR shall be obligated to comply with any directions issued by the PROJECT MANAGER when the PROJECT MANAGER has determined that an emergency situation exists. If the CONTRACTOR believes the emergency resulted in additional Work, an otherwise untimely claim for Change Order is permissible and may be submitted in accordance with the procedures set forth herein.

3.13 Cleaning Up. The CONTRACTOR shall maintain the Site free from accumulations of waste materials, rubbish, and other debris resulting from the Work on a daily basis. At the completion of the Work, the CONTRACTOR shall remove all waste materials, rubbish, and debris from the Site as well as all tools, installation equipment and machinery, and surplus materials and will leave the Site clean and ready for occupancy by PSO. In addition to any other rights available PSO under the Contract Documents, the failure of the CONTRACTOR to maintain the Site may result in the withholding by PSO of any amounts due CONTRACTOR. PSO also reserves the right, upon the CONTRACTOR'S failure to perform clean-up activities, after written notice, to use its own forces or a third party contractor and to delete the costs incurred from any amount due the CONTRACTOR. The CONTRACTOR will restore to original condition those portions of the Site not designated for alteration by the Contract Documents as part of its obligations under the Contract.

The CONTRACTOR is not entitled to exclusive use of the Site. PSO reserves the

right to accept or reject Work related to the Project based on the quality of Work performed by the CONTRACTOR or its SUBCONTRACTORS.

4.2 If any part of the Work of the CONTRACTOR depends (for proper execution or results) upon the work of any such third-party contractor (or of PSO), the CONTRACTOR will inspect and promptly report to the PROJECT MANAGER in writing any defects or deficiencies in such work that render it unsuitable for such proper execution and results with respect to the Work. The failure of the CONTRACTOR to so report shall constitute an acceptance of the other work, except as to defects and deficiencies that may appear in the other work after the execution of its Work. The CONTRACTOR shall be entitled to extension of time, but not to damages or additional compensation from PSO related to delay, whether caused by such third-party contractors, or PSO, absent fraud, bad faith, or active interference by PSO which is accompanied by an actual malicious intent on the part of PSO to cause delay.

4.3 The CONTRACTOR will do all cutting, fitting, and patching of its Work that may be required to make its several parts come together properly, and fit it to receive or be received by such third-party work. The CONTRACTOR will not endanger any work of others by cutting, excavating, or otherwise altering such other work and will only cut or alter such other work with the written consent of the PROJECT MANAGER, and only if such alteration will not increase the Contract Price or Contract Time.

4.4 If the performance of additional work by third-party contractors or PSO is not noted in the Contract Documents prior to the execution of the Agreement, written notice shall be given to the CONTRACTOR prior to starting any such additional work. If the CONTRACTOR believes that the performance of such additional work by PSO or others involves additional expense or entitles it to an extension of the Contract Time, the CONTRACTOR may make a claim as outlined in these documents.

ARTICLE 5 - RESPONSIBILITIES OF PSO

5.1 PSO shall issue all communications to the CONTRACTOR through the PROJECT MANAGER, except for authorization required by Change Order pursuant to the Contract Documents.

5.2 PSO shall furnish the data required under the Contract Documents and shall make payments to the CONTRACTOR when due as outlined in these documents.

5.3 The responsibilities of PSO for providing lands, easements, and engineering surveys to establish reference points are set forth as outlined in these documents.

ARTICLE 6 – CHANGES IN THE WORK

6.1 Without invalidating the Agreement, PSO may from time to time, order additions, deletions, or revisions in the Work. The CONTRACTOR shall promptly submit a written proposal for the changed work prepared in accordance with the requirements outlined in these documents. If the proposal request calls only for the deletion of Work, the PROJECT MANAGER, with the

consent of the DIRECTOR, may order the partial suspension of any Work related to the proposed deletion, in which case the CONTRACTOR must cease performance as directed; the CONTRACTOR shall not be entitled to additional compensation or an increase in the Contract Time as a result of the suspension. The CONTRACTOR shall not be entitled to claim lost profits on deleted work. All changed Work shall be executed under the applicable conditions of the Contract Documents.

6.2 Additional Work performed by the CONTRACTOR without authorization, as represented by a properly executed Change Order approved by the SHERIFF or his designee, as specified herein, will not entitle the CONTRACTOR to an increase in the Contract Price or to an extension of the Contract Time, except in the case of a bona fide emergency as provided herein. No other employee or representative of PSO including, but not limited to, the PROJECT MANAGER and the DIRECTOR, has the authority to approve a Change Order on behalf of PSO. **The effect of this paragraph shall remain paramount and shall prevail irrespective of any conflicting provisions contained in these Contract Documents.**

6.3 Upon agreement between the PROJECT MANAGER and the CONTRACTOR as to changes in the Work to be performed, subject to consent of the DIRECTOR, or with respect to a claim by the CONTRACTOR for Work performed in an emergency as provided herein, the CONTRACTOR will prepare a written Change Order to be signed and submitted to the PROJECT MANAGER for transmission by the DIRECTOR to the SHERIFF for approval.

6.4 In the absence of agreement between the PROJECT MANAGER and the CONTRACTOR or consent of the DIRECTOR as provided in paragraph 6.3, PSO may, in its sole discretion, issue a unilateral Change Order to the CONTRACTOR. Pricing of the unilateral Change Order will be in accordance with this Agreement. The Change Order will specify a price, and if applicable, a time extension determined to be reasonable by PSO. If the CONTRACTOR fails to sign said Change Order, the CONTRACTOR shall nevertheless be obligated to fully perform the work as directed by the Change Order.

6.5 Should the CONTRACTOR make a claim for an increase in Contract Time or an increase in Contract Price, then upon the request of the PROJECT MANAGER, the claim shall be accompanied by an affidavit stating that:

- a. The claim is made in good faith;
- b. The supporting data have been thoroughly reviewed by the CONTRACTOR and are accurate and complete to the best knowledge and belief of the CONTRACTOR; and
- c. The amount requested accurately reflects the contract adjustment for which the CONTRACTOR believes PSO is liable.

Absent such affidavit, if requested by the PROJECT MANAGER, the claim will not be considered. Submission of the affidavit shall be a condition precedent to the commencement by the CONTRACTOR of any action at law or in equity against PSO.

6.6 If PSO determines the CONTRACTOR has submitted a baseless, frivolous, unsupported, exaggerated, or otherwise spurious request for a Change Order or Claim, PSO shall deduct from any amounts due the CONTRACTOR the costs incurred by PSO in reviewing and responding to that Change Order request or Claim. Deductible costs include, but are not limited to, any costs incurred by PSO to review and respond to the requested Change Order or Claim.

6.7 The CONTRACTOR shall proceed diligently with performance of the Work as directed by PSO, regardless of pending claims or actions, unless otherwise agreed to in writing.

ARTICLE 7 – CHANGE OF CONTRACT PRICE

7.1 The Contract Price

7.1.1 The Contract Price is as defined in Article II. All duties, responsibilities, and obligations assigned to or undertaken by the CONTRACTOR shall be at its expense without change in the Contract Price.

7.1.2 The Contract Price represents the total compensation to which the CONTRACTOR may be entitled under the terms of these Contract Documents, which Contract Price is based upon the estimated quantities of items listed therein or a lump sum price. The actual total compensation paid to the CONTRACTOR for the Work described in these Contract Documents may vary due to:

- a. Adjustments in pay quantity/quantities resulting from changes in item quantity/quantities; and/or
- b. Adjustments in pay quantity/quantities as otherwise permitted by these Contract Documents.

7.1.3 The Contract Price may only be increased or decreased by a written Change Order. Any claim for an increase shall be in writing and delivered to the PROJECT MANAGER within seven (7) days of the first occurrence of the circumstances necessitating an increase. Written supporting data will be submitted to the PROJECT MANAGER within fifteen (15) days after said occurrence, unless the DIRECTOR, in his absolute discretion, allows additional time.

7.1.4 If Parties are unable to agree on a price for the changed Work, PSO shall establish a reasonable price for the same in accordance with these Articles. PSO shall then process a unilateral Change Order, specifying the said reasonable price, in accordance with paragraph 6.5. The CONTRACTOR shall perform the Work as directed in the Change Order.

7.1.5 Failure on the part of the CONTRACTOR to construct any item to plan, or in conformity with authorized dimensions and within the specification tolerances set forth herein, shall result in:

- a. Reinstallation to acceptable tolerances, at no additional cost to PSO;
- b. Acceptance at no pay; or
- c. Acceptance at reduced final pay quantity or reduced unit price, all at the discretion of PSO.

PSO shall make determinations of the aggregate monetary change for items identified as lump sum quantities based upon an analysis of the score of the failure of the CONTRACTOR to construct to plan or in conformity with authorized dimensions and within applicable specification tolerances.

7.2 Cost of Work

7.2.1 The term “Cost of Work”, when used in connection with Change Orders, means the costs necessarily incurred and paid by the CONTRACTOR in the proper performance of the Change Order Work. Except as may be agreed to in writing by the PROJECT MANAGER, such costs shall be in amounts no higher than those prevailing in the relevant market for substantially similar work associated with projects akin to the Project, and shall be limited to the following categories:

- a. Actual cost of Labor (payroll, taxes, fringe benefits, worker’s compensation, health and retirement benefits, sick leave) to perform change order work;
- b. Owned Equipment (at lowest applicable equipment rate manual rate);
- c. Rented Equipment (at actual rental rates);
- d. Materials;
- e. Costs of SUBCONTRACTOR; and
- f. Extra Bonds, if applicable, and Insurance.

7.2.2 The CONTRACTOR shall require all SUBCONTRACTORS and suppliers to comply with all requirements of, and provide itemizations of, all claims in accordance with these Articles.

7.2.3 The term “Cost of the Work”, when used in connection with Change Orders, shall not include any of the following:

- a. Payroll costs and other compensation of the officers, executives, principals (of partnership and sole proprietorships), general managers, engineers, architects, estimators, lawyers, auditors, accountants, purchasing and contracting agents, expeditors, timekeepers, job superintendents, Project managers, and clerks of the CONTRACTOR, and all personnel employed by the CONTRACTOR, whether at

the Site, at the principal office of the CONTRACTOR, at a branch office of the CONTRACTOR, or elsewhere, for general administration of the Change Order Work and not specifically included in the agreed-upon schedule of job classifications, all of which are to be considered administrative costs covered by the Fee of the CONTRACTOR;

b. Extraordinary fringe benefits not specifically identified in Article 7.2;

c. Expenses of the principal and branch offices of the CONTRACTOR, other than the office of the CONTRACTOR at the Site;

d. Field overhead costs, including, but not limited to, the cost on-site temporary facilities and the on-site supervision provided by the CONTRACTOR; compensation for these costs will be considered only if the Final Completion date is extended by a Change Order or Allowance Authorization Release.

e. Any part of the capital expenses of the CONTRACTOR, including interest on the capital used by the CONTRACTOR for the Change Order Work and charges against the CONTRACTOR for delinquent payments;

f. Cost of premiums for all bonds and insurance, whether or not the CONTRACTOR is required by the Contract Documents to purchase and maintain the same (except for additional bonds and insurance required because of changes in the Work).

g. Costs due to the negligence of the CONTRACTOR, any SUBCONTRACTOR, or anyone directly or indirectly employed by any of them, or for whose acts any of them may be liable, including, but not limited to, the correction of defective Work, disposal of materials or equipment wrongly supplied, and correcting for any damage to property;

h. All overhead or general expense costs of any kind (other than as provided in Article 7.3).

7.3 Non-Recoverable Items. Notwithstanding any other provision of the Contract Documents, the parties agree that for any claim filed by the CONTRACTOR on this Project, whether on account of delay, acceleration, and breach of contract or otherwise, PSO will not have any liability for the following items of damage or expense:

1. Loss of profit, incentives or bonuses;

2. Any claim for other than extra work or delay;

3. Consequential damages, including but not limited to, loss of bonding capacity; loss of opportunities; loss of credit standing; cost of financing; interest paid; loss of other Project or insolvency;

4. Acceleration costs and expenses, except where PSO has expressly and specifically directed the CONTRACTOR in writing “to accelerate at PSO’s expense”; and/or

5. Attorney fees, claims preparation expenses and costs of litigation.

ARTICLE 8 – WARRANTY AND GUARANTEE: ACCEPTANCE OF DEFECTIVE WORK

8.1 Warranty and Guarantee. The CONTRACTOR warrants and guarantees to PSO that all materials and requirements will be new unless otherwise specified, and that all Work will be of good quality, performed in a workmanlike manner, free from faults or defects, and in accordance with the requirements of the Contract Documents and any inspections, tests, or approvals referred to in this Article for a minimum period of one year following the date of Final Acceptance. To the extent the Work may be required in order to achieve and maintain compliance with any permit issued by any federal or state authority (e.g., mitigation planting required as a condition of a permit by the Southwest Florida Water Management District) and no written final approval by said authority has been received within one year following Final Acceptance, the CONTRACTOR shall warrant and guarantee that portion of the Work beyond one (1) year and until such time as written final approval has been issued by the applicable authority. All unsatisfactory Work, all faulty Work, and all Work not conforming to the requirements of the Contract Documents, or to such inspections, tests, approvals, or to any and all applicable building, installation and safety requirements, shall be considered defective. The PROJECT MANAGER shall give notice of all defects to the CONTRACTOR. All defective Work, whether or not in place, may be rejected, corrected, or accepted as provided in this Article.

8.2 Stop Work. When Work is defective, or when the CONTRACTOR fails to supply sufficient skilled workmen or suitable materials or equipment, or to make prompt payments to SUBCONTRACTORS for labor, materials, or equipment, or if the CONTRACTOR violates any provision of these Contract Documents, the DIRECTOR may order the CONTRACTOR to stop the Work until the cause for such order has been eliminated. However, this right of the DIRECTOR to stop the Work shall not give rise to any duty on the part of the DIRECTOR to exercise this right for the benefit of the CONTRACTOR or any other party. The CONTRACTOR shall have no right to claim an increase in the Contract Price or Contract Time or other damages for a stop work order issued under this paragraph.

8.3 Correction or Removal of Defective Work

8.3.1 When directed by PSO or its PROJECT MANAGER, the CONTRACTOR shall promptly, without cost to PSO and as specified by PSO or its PROJECT MANAGER, either correct the defective Work whether fabricated, installed, or completed, or remove it from the Site and replace it with non-defective Work. If the CONTRACTOR does not correct such defective Work or remove and replace such defective Work within a reasonable time, all as specified in a written notice from PSO or its PROJECT MANAGER, PSO may have the deficiency corrected. All direct and indirect costs of

such correction shall be paid by the CONTRACTOR or deducted from payment to CONTRACTOR. The CONTRACTOR will also bear the expense of correcting, or removing and replacing all Work of others destroyed or damaged by the correction, removal, or replacement of the defective Work.

8.3.2 After approval of final payment, and prior to the expiration of one (1) year after the date of Final Completion, or such longer period of time as may be prescribed by law or by the terms of any applicable special guarantee required by the Contract documents, if any Work is found to be defective, incomplete, or otherwise not in accordance with the Contract Documents, the CONTRACTOR shall promptly, without cost to PSO and in accordance with the written instructions of PSO, either correct such defective Work, or if it has been rejected by PSO, remove it from the Site and replace it with non-defective Work. If the CONTRACTOR does not promptly comply with the terms of such instructions, PSO may have the defective Work corrected, removed, or replaced. The CONTRACTOR will pay all direct and indirect costs of such action.

8.4 Acceptance of Defective Work. If, instead of requiring the correction, or the removal and replacement, of defective Work, the PSO prefers to accept it, PSO may do so, in their sole discretion. In such case, if acceptance occurs prior to approval of final payment, a Change Order incorporating the necessary revisions in the Contract Documents, including an appropriate reduction in the Contract Price, shall be issued. If the acceptance occurs after approval of final payment, the CONTRACTOR shall pay to PSO an appropriate sum to compensate for the defect in the Work.

8.5 Neglected Work by Contractor

8.5.1 If the CONTRACTOR neglects to execute the Work in accordance with the Contract Documents, including any requirements of the progress schedule, the PROJECT MANAGER may direct the CONTRACTOR to submit a recovery plan and take specific corrective actions including, but not limited to, employing additional workmen, and/or equipment, and working extended hours and additional days, all at no cost to PSO, in order to put the Project back on schedule. If the CONTRACTOR fails to correct the deficiency or take appropriate corrective action, PSO may terminate the Contract or the right of the CONTRACTOR to proceed with that portion of Work and may have the Work done by others. The cost of completion under such procedure shall be charged against the CONTRACTOR. A Change Order shall be issued incorporating the necessary revisions in the Contract Documents, including an appropriate reduction in the Contract Price. If the payments due the CONTRACTOR are not sufficient to cover such amount, the CONTRACTOR shall pay the difference to PSO.

8.5.2 When the CONTRACTOR is more than ten percent (10%) behind schedule, based on the approved Project Schedule, the PROJECT MANAGER may deduct from any progress payment to the CONTRACTOR a sum equal to the liquidated damages for the number of days behind schedule. Additional withholding may be made if the PROJECT MANAGER determines the Work cannot be completed for the unpaid balance of the Contract Price.

8.5.3 Should the CONTRACTOR work weekends or holidays to regain the schedule, all costs to PSO of associated inspections, and/or management shall be identified to the CONTRACTOR, and the Contract Price shall be reduced by a like amount via Change Order.

ARTICLE 9 – PAYMENT AND COMPLETION

9.1 Continuing Obligation of the CONTRACTOR. The obligation of the CONTRACTOR to perform the Work and complete the Project in accordance with the Contract Documents shall be absolute. The approval by PSO of any progress payment or Final Payment, the issuance of a Certificate of Substantial Completion, any payment by PSO to the CONTRACTOR under the Contract Documents, any use or occupancy of the Project or any part thereof by PSO (with or without issuance of a Certificate of Beneficial Occupancy), the issuance of a Certificate of Final Completion, the occurrence or absence of any act of acceptance by PSO, or any correction of defective Work by PSO shall not constitute, or be deemed or construed to constitute, an acceptance of Work not in accordance with the Contract Documents, as amended by any properly executed Change Order(s) issued during the term of the Contract.

9.2 Waiver of Claims. The making of an Application for Final Payment, or acceptance of Final Payment, shall constitute an absolute waiver of any and all claims by the CONTRACTOR against PSO, except for those previously submitted in writing in accordance with the Contract Documents.

9.3 Liquidated Damages. When the CONTRACTOR is in default for nonperformance within the stipulated Contract Time, including any intermediate Milestone Dates, the PROJECT MANAGER will notify the CONTRACTOR in writing within thirty (30) days after the intermediate Milestone Date, Substantial Completion Date, or Final Completion Date, and shall deduct the daily liquidated damages in the amount stated in the Contract Documents from any monies due the CONTRACTOR. The DIRECTOR, however, retains discretion to recommend to the SHERIFF or his designee that any portion or all of the liquidated damages be waived in order to advance the best interests of PSO. The deduction of liquidated damages shall be in addition to any retainage withheld. Any failure of PSO to provide written notice to the CONTRACTOR within the applicable thirty (30) day period of its intent to assess liquidated damages shall not constitute a waiver of the right of PSO to liquidated damages, or otherwise relieve the CONTRACTOR of liability for liquidated damages.

ARTICLE 10 – SUSPENSION OF WORK AND TERMINATION

10.1 Suspension of Work. The DIRECTOR may, at any time, suspend the Work or any portion thereof for a continuous period of not more than ninety (90) days by issuing to the CONTRACTOR a Notice of Suspension. The PROJECT MANAGER, with the consent of the DIRECTOR, shall fix the date on which Work shall be resumed, and the CONTRACTOR shall resume the Work on the date so fixed. The CONTRACTOR shall be allowed an extension of the Contract Time, if directly attributable to any such suspension, as the sole compensation and

remedy for the suspension. The CONTRACTOR shall, under no circumstances, be entitled to any damages or additional compensation for any such suspensions.

10.2 Termination of Work

10.2.1 If the CONTRACTOR is adjudged bankrupt or insolvent, if it makes a general assignment for the benefit of its creditors, if a trustee or receiver is appointed for it or for any of its property, if it files a petition to take advantage of any debtor's act or to reorganize under the bankruptcy or similar laws, if it repeatedly fails to supply sufficient skilled workmen or suitable materials or equipment, or make prompt payments to SUBCONTRACTORS, or prompt payments for labor, materials, or equipment; if it disregards laws, ordinances, rules, regulations, or orders of any public body having jurisdiction; if it fails to submit the bonds, if applicable, and Certificates of Insurance within the times required; or if it otherwise materially violates any provisions of the Contract Documents, then SHERIFF or his designee may, without prejudice to any other right or remedy and after giving the CONTRACTOR seven (7) days written notice, terminate the services of the CONTRACTOR. Upon termination, PSO shall take possession of the Project, and may take possession of all materials, equipment, tools, installation equipment, and machinery thereon owned by the CONTRACTOR, and may finish the Work by whatever method it may deem expedient. In such case, the CONTRACTOR shall not be entitled to receive any further payment until the Work is completed. If the unpaid balance of the Contract Price exceeds the direct and indirect cost of completing the Project, including compensation for additional professional services, such excess shall be paid to the CONTRACTOR. If such cost exceeds the unpaid balance, the CONTRACTOR shall pay the difference to PSO. Such cost incurred by PSO shall be incorporated in a Change Order. If, after the issuance of Notice of Termination of this Agreement, it is determined for any reason that the CONTRACT was not in default, or that its default was excusable, or PSO was not entitled to the remedy against CONTRACTOR provided herein, the termination will be deemed to be a termination for convenience pursuant to paragraph 10.2.3, and the remedies of the CONTRACTOR against PSO shall be the same as, and limited to, those afforded under said paragraph.

10.2.2 Where the services of the CONTRACTOR have been so terminated pursuant to paragraph 10.2.1 by PSO, said termination shall not affect any rights of PSO against the CONTRACTOR then existing, or which may thereafter accrue. Any retention or payment of monies by PSO due the CONTRACTOR will not release the CONTRACTOR from any liability whatsoever.

10.2.3 Termination for Convenience

10.2.3.1 In return for good and valuable consideration in the amount of \$100.00, the receipt of which is acknowledged by the CONTRACTOR, PSO may terminate the required performance of Work by the CONTRACTOR under this Agreement, in whole or in part, whenever PSO shall determine that such complete or partial termination is in the best interest of PSO. Any such termination shall be effected by delivery to the CONTRACTOR of a Notice of Termination for Convenience,

specifying the extent to which the performance of Work under the Agreement shall be terminated, and the date upon which such termination shall be effective.

10.2.3.2 After receipt of a Notice of Termination for Convenience, and except as otherwise directed by PSO, the CONTRACTOR shall:

- a. Stop Work under this Agreement on the date, and to the extent, specified in the Notice of Termination for Convenience;
- b. Place no further orders or subcontracts for materials, services, or facilities, except as may be necessary for the full and proper completion of that portion of the Work under this Agreement not to be terminated;
- c. Terminate all orders and subcontracts to the extent that they relate to the performance of Work terminated by the Notice of Termination for Convenience;
- d. In the sole and absolute discretion of PSO, the CONTRACTOR shall either:
 - i. Assign to PSO, in the manner, at the time, and to the extent directed by the PROJECT MANAGER, with the consent of the DIRECTOR, all of the right, title, and interest of the CONTRACTOR under some or all of the orders and subcontracts so terminated; or
 - ii. Settle all outstanding liabilities and all claims arising out of such termination of unassigned orders and subcontracts.
- e. Transfer title and deliver to PSO, in the manner, at the times and to the extent, if any, directed by the PROJECT MANAGER, with the consent of the DIRECTOR, the fabricated or un-fabricated parts, work in process, completed work, supplies, and other material produced as a part of, or acquired in connection with the performance of the Work terminated by the Notice of Termination for Convenience.
- f. Complete performance of that part of the Work not terminated by the Notice of Termination for Convenience.
- g. Take all such action as may be necessary or prudent, or as PSO may direct, for the protection and preservation of the property related to this Agreement which is in the possession of the CONTRACTOR and in which PSO has, or may acquire, an interest.

10.2.3.3 After the receipt of a Notice of Termination for Convenience, the CONTRACTOR shall submit to PSO its termination claim. Such claim shall be

submitted promptly, but in no event later than four (4) months from the effective date of termination, unless one or more extensions in writing are granted by the DIRECTOR in his absolute discretion. No claim will be allowed for machinery and equipment rental expense incurred after the effective date of the Notice of Termination for Convenience. Upon the failure of the CONTRACTOR to submit its termination claim within the time allowed, PSO shall determine, on the basis of information available to it, the amount, if any, due to the CONTRACTOR by reason of the Termination for Convenience.

10.2.3.4 The CONTRACTOR and PSO may agree upon the whole or any part of the amount or amounts to be paid to the CONTRACTOR by reason of the complete or partial Termination for Convenience, which amount or amounts may include a reasonable allowance for profit on Work done; provided, that such agreed amount or amounts, exclusive of settlement costs, shall not exceed the total Contract Price as reduced by the amount of payments otherwise made, and as further reduced by the Contract Price of Work not terminated. The Agreement shall be amended accordingly, and the CONTRACTOR shall be paid the agreed amount.

10.2.3.5 In the event of the failure of the CONTRACTOR and PSO to agree, as provided in paragraph 10.2.3.4, on the whole amounts to be paid to the CONTRACTOR by reason of any Termination for Convenience, PSO shall determine, on the basis of information available to it, with respect to all Work performed prior to the effective date of the Notice of Termination for Convenience, the total (without duplication of any items) cost of such work and a sum, as profit, equal to seven (7) percent of said cost of the Work; provided, however, that if it appears that the CONTRACTOR would have sustained a loss on the entire Contract had it been completed, no profit shall be included or allowed, and an appropriate adjustment shall be made, reducing the amount of the settlement to reflect the indicated rate of loss. In no event will the CONTRACTOR be entitled to recover any anticipated or lost profit.

10.2.3.6 The total sum to be paid to the CONTRACTOR shall not exceed the total Contract Price, as reduced by the amount of payment otherwise made, and as further reduced by the Contract Price of Work not terminated. Except for normal spoilage, and except to the extent that PSO shall have otherwise expressly assumed the risk of loss, there shall be excluded from the amounts payable to the CONTRACTOR the fair value, as determined by PSO, of property which has been destroyed, lost, stolen, or damaged so as to become undeliverable to PSO.

10.2.3.7 In arriving at the amount due the CONTRACTOR following a Termination for Convenience, there shall be deducted:

- a. All unliquidated advance or other payments on account theretofore made to the CONTRACTOR, applicable to the terminated portion of this Agreement;

- b. Any claim which PSO may have against the CONTRACTOR in connection with this Agreement; and
- c. The agreed price for, or the proceeds from the sale of, any materials, supplies, or other things kept by the CONTRACTOR or sold, pursuant to the provisions hereof, and not otherwise recovered by, or credited to, PSO.

10.3 Cross-Default. Should the CONTRACTOR be determined by PSO to be in default of this Agreement, such default shall constitute a default of all other contracts to which PSO and the CONTRACTOR are Parties. PSO, as a result, may pursue any and all remedies available to it up to and including termination of all such contracts between the parties.

ARTICLE 11 – MISCELLANEOUS

11.1 All specifications, drawings, and copies furnished by PSO shall remain the property of PSO. They shall not be used by anyone other than PSO on any other Project and, with the exception of those sets that have been signed in connection with the execution of the Agreement, shall be returned to PSO upon completion of the Project.

11.2 Should PSO or the CONTRACTOR suffer injury or damage to their respective persons or property because of any error, omission, or act of the other, or of any of their respective employees, agents, or others for whose acts they may be legally liable, claim should be made in writing to the other party within a reasonable time of the first observance of such injury or damage.

11.3 If the Contract Price exceeds \$100,000, the CONTRACTOR shall comply with all the requirements of Section 114 of the Clean Air Act (42 USC 7414 et seq.), as amended, and with Section 308 of the Federal Water Pollution Control Act (33 USC 1251 et seq.), as amended.

11.4 Pending resolution of any claim or dispute between PSO and the CONTRACTOR, unless otherwise agreed in writing by PSO, the CONTRACTOR shall proceed diligently with Performance of the Project as directed by PSO, and PSO may continue to make payments in accordance with the Contract Documents.

11.5 Project Representative. PSO may furnish a Project Representative and assistants to aid the PROJECT MANAGER in carrying out the responsibilities of the PROJECT MANAGER at the Site.

11.6 Compliance with Federal Immigration Laws. The CONTRACTOR by signing the contract will comply with all applicable federal, state and local laws, rules, regulations and guidelines, related to performance under this Agreement. In particular, the CONTRACTOR by signing the Contract verifies and affirms that it is in compliance with 8 USC Sec. 1342 prohibiting the employment either directly or by contract or exchange of unauthorized aliens by any CONTRACTOR during the term of the Agreement a violation of the Immigration and

Nationality Act. Such violation shall be cause for unilateral cancellation of this Agreement by PSO.

11.7 Compliance with Department of Homeland Security E-Verify Program. Contractor and PSO shall comply with Florida Statute 448.095, as currently written, or as hereafter amended. In the event of a conflict between the below language and an amendment to Florida Statute 448.095, the amendment shall govern. The PSO is a public employer participant in the Department of Homeland Security's Image Program and utilizes E-verify to ensure its employees are appropriately authorized to work in the United States. On or before January 1, 2021, CONTRACTOR and any/all of CONTRACTOR's subcontractor(s) shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. CONTRACTOR understands the PSO may not enter into a Contract unless each party to the contract registers with and uses the E-Verify system and is required to terminate a contract pursuant to the Violations Section below, without penalty.

Subcontractors. If CONTRACTOR enters into a contract with a subcontractor, the subcontractor must provide the CONTRACTOR with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. CONTRACTOR shall maintain a copy of such affidavit for the duration of the Contract.

Violations.

(a) In the event the PSO has a good faith belief that CONTRACTOR has knowingly violated Florida Statute 448.09(1), PSO shall terminate the contract with CONTRACTOR.

(b) In the event the PSO has a good faith belief that CONTRACTOR's subcontractor knowingly violated this subsection, but the CONTRACTOR otherwise complied with this subsection, PSO shall promptly notify the CONTRACTOR and order the CONTRACTOR to immediately terminate the contract with the subcontractor.

(c) A contract terminated pursuant to (a) or (b) is not a breach of contract and may not be considered as such.

(d) PSO, CONTRACTOR, or subcontractor may file an action with a circuit or county court to challenge a termination under paragraph (c) no later than 20 calendar days after the date on which the contract was terminated.

(e) If PSO terminates a contract with CONTRACTOR under paragraph (c), the contractor may not be awarded a public contract for at least 1 year after the date on which the contract was terminated.

(f) CONTRACTOR is liable for any additional costs incurred by PSO as a result of the termination of a contract.

ARTICLE 12 – MAINTENANCE OF RECORDS

12.1 The CONTRACTOR shall keep adequate records and supporting documentation applicable to this Project and Agreement. Said records and documentation shall be retained by the CONTRACTOR for a minimum of five (5) years from the date of final completion or termination of this Agreement. PSO shall have the right to audit, inspect, and copy such records and documentation, and any and all such records of the CONTRACTOR as may relate to this, or any other, Project and Agreement between the CONTRACTOR and PSO, or to any legal,

administrative, or other action brought against PSO by the CONTRACTOR or any other person, as often as PSO deems necessary, during the period of this Agreement and for a period of five (5) years thereafter; provided, however, such activity shall be conducted only during normal business hours. PSO during this period of time shall also have the right to obtain a copy of and otherwise inspect any audit made at the direction of the CONTRACTOR as concerns the aforesaid records and supporting documentation. The CONTRACTOR shall, at all times, take all reasonable steps necessary to ensure and to enforce the right of PSO to access the aforesaid documentation.

12.2 PUBLIC RECORDS. CONTRACTOR shall comply with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, CONTRACTOR shall (a) keep and maintain public records required by the PSO to perform the service under the Agreement; (b) upon request from the PSO's custodian of public records provide PSO with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if CONTRACTOR does not transfer the records to PSO; and (d) upon completion of the contract, transfer, at no cost to PSO, all public records in possession of CONTRACTOR. Upon transfer, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records requirements. All records stored electronically must be provided to PSO in a format that is compatible with the information technology systems of PSO. All documentation produced as part of this Agreement will become the property of PSO. At the end of this Agreement, all documents kept and maintained by Contractor shall be provided to PSO, at no cost to PSO. This paragraph shall survive the expiration or termination of this Agreement.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS (CAPTAIN JUSTIN ROSS) AT (727) 847-5878, jross@pascosheriff.com, 8700 CITIZENS DR., NEW PORT RICHEY, FL 34654.

Under Florida law, a Contractor who fails to provide the public records to PSO within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Agreement and may serve as grounds for termination of this Agreement.

ARTICLE 13 – EQUAL OPPORTUNITY COMPLIANCE PROVISIONS

13.1 During the performance of this Agreement, the CONTRACTOR agrees as follows.

13.1.1 General. The CONTRACTOR shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, handicap or marital status.

13.1.2 Sanctions.
