1. INTRODUCTION

The Pasco Sheriff's Office ("PSO") invites interested contractors, companies, partnerships, and/or firms, hereinafter referred to as Proposers, to submit proposals for procurement, shipping and of trailers as outlined in the Proposal Form and Attachment A. It is the intent of this RFP to award a single contract to the highest ranked Proposer based on the following criteria:

- a) Proposer background and experience: The character, integrity, reputation, judgment, experience, and efficiency of the Proposer.
- b) The quality of proposed products, local warranty support.
- c) Delivery schedule
- d) Proposal Submission completeness and compliance with the specifications.
- e) Price. Pricing shall be a factor in evaluating the proposals; however, Pasco Sheriff's Office reserves the right to select a Contractor based on the listed criteria, instead of lowest proposal.
- f) Whether the Proposer is a local business.

Pricing is a factor, but it is not the determinative factor. The Proposers will be ranked based on an evaluation of criteria as described in Section 4.2 by five evaluators.

By submitting a Proposal, Proposers agree to all of the conditions of this Request for Proposal.

2. COMMUNICATIONS DURING SOLICITATION AND LOBBYING PROHIBITION.

2.1 It is strictly prohibited for a proposer to communicate with or lobby evaluation committee members, Pasco Sheriff's Office employees, or elected officials (**including the duly elected Pasco County Sheriff**) regarding this Request for Proposal. The term "proposer" shall include the proposer or any member of the proposer's staff, an agent of the proposer, or any person employed by any legal entity affiliated with or representing an organization that is responding to this Request for Proposal outside a publicly noticed meeting specifically called to address this particular Request for Proposal. Nothing herein shall prohibit a prospective proposer from contacting the Purchasing Manager to request a public record, address concerns or grievances, or to receive clarification about a particular procurement.

2.2 For purposes of this provision, lobbying activities shall include, but not be limited to, influencing or attempting to influence action or non-action in connection with this Request for Proposal through direct or indirect oral or written communication or an attempt to obtain goodwill of persons and/or entities specified in this provision. Such actions may cause any proposal to be rejected.

2.3 The prohibition on communication with Pasco Sheriff's Office employees (**including the duly elected Pasco County Sheriff**) by proposers and their representatives regarding this Request for Proposal in which they have pecuniary interest begins upon issuance of the

Request for Proposal and ends upon final award, when a protest is resolved, or when this Request for Proposal process is otherwise concluded, whichever occurs later. This prohibition does not apply to communication on other matters in which a proposer may have an interest outside of this Request for Proposal.

3. AMERICANS WITH DISABILITIES ACT

The Pasco Sheriff's Office (PSO) does not discriminate upon the basis of any individual's disability status. This non-discrimination policy involves every aspect of the PSO's functions. Anyone requiring reasonable accommodation to review the solicitation or for the public meetings related to this Request for Proposal should contact Purchasing at purchasing@pascosheriff.org and, if for a meeting accommodation, at least twenty-four (24) hours in advance of the meeting.

4. REQUEST FOR PROPOSAL

4.1 Request for Proposal Package. The Instructions to Proposers (Part I), the General Conditions of the Contract (Part II), the Request for Proposal, including addendums (Part III), and the Agreement (Part IV), together with all other documents identified in Article I of the General Conditions of the Contract (Part II), constitute the entire Request for Proposal Package, and upon award, shall constitute the Contract Documents concerning the above-referenced Project. Said Request for Proposal Package must be the basis upon which all Proposals are offered. It is the responsibility of each Proposer to ensure its responses clearly and directly respond to each of the requirements listed in Section 4.2, Outline Format for Response. The Response shall include full completion of Part III, including exhibits and appendices thereto. The Proposer must manually sign the Proposal in black or blue ink. Proposals may be submitted by mail, delivery, or electronically as outlined below:

For mailed or delivered responses: One (1) fully completed and executed original Proposal and four (4) copies must be submitted in a sealed envelope to the Pasco Sheriff's Office's Purchasing Department, along with any other documentation required by this Request for Proposal Package, at the time and place herein specified. Proposer shall also supply two (2) electronic copies of the entire Proposal, one complete copy clearly marked COMPLETE COPY and one redacted copy (with proprietary and confidential information removed) clearly marked REDACTED COPY. Electronic copies are preferred on a flash drive. Except for the redacted information, the redacted copy must be identical to the original hard copies, reflecting the same pagination as the original and showing the space from which information was redacted. Proposer shall be responsible for clearly identifying all proprietary/confidential information and for ensuring the electronic copy is protected against restoration of redacted data.

For electronic responses: Electronic responses may only be submitted via the Demandstar website. One (1) fully completed and executed original Proposal, along with any other documentation required by this Request for Proposal Package, by the time herein specified via Demandstar. Proposer shall also supply one redacted copy (with proprietary and confidential information removed) clearly marked REDACTED COPY. Except for the redacted information, the redacted copy must be identical to the original hard copies,

reflecting the same pagination as the original and showing the space from which information was redacted. Proposer shall be responsible for clearly identifying all proprietary/confidential information and for ensuring the electronic copy is protected against restoration of redacted data.

The failure of a Proposer to provide a proposal in either format as outlined above may result in disqualification of the Proposal as non-responsive. Errors or omissions in any Proposal submitted may result in the rejection or disqualification of the Proposal. PSO also reserves the right to waive minor irregularities in the RFP or the submitted responses and may cancel, re-advertise, postpone, or modify the RFP schedule at any time.

4.2 Outline Format for Response. This section outlines the format, information and documentation that Proposers must submit in response to this RFP.

- A. Include an introductory letter from Proposer addressing the response.
- B. Pricing. Prices must be quoted only upon the Proposal form attached hereto and identified as the Request for Proposal (Part III), and no other Proposals will be accepted. If prices are based on quantities identified on the Proposal form and would differ for larger or smaller quantities, Proposers shall indicate such and identify the quantity pricing ranges. All prices quoted are to be F.O.B. for the designated Project site in Pasco County, Florida. Alternates may be proposed and attached to the Proposal form for consideration by PSO. PSO reserves the right to accept or reject all, some, or none of the proposed alternates.
- C. Provide a time estimate for procurement, sourcing, shipping, delivery, and any assembly required based on quantities.
- D. If claiming to be a local business, Proposers should provide a local business tax receipt showing a current principal place of business in Pasco County.
- E. Provide warranty information.

4.3 Delivery of Proposals. If providing a mailed/delivered proposal: the Proposer is hereby directed to cause delivery of its Proposal for this Project to the Pasco Sheriff's Office Purchasing Department, 19415 Central Boulevard, Land O' Lakes, FL 34637, at any time prior to the deadline for submissions, which is specified above. The delivery of said Proposal to the PSO Purchasing Department, prior to the time and date stated in the preceding sentence, is solely and strictly the responsibility of the Proposer. The PSO will in no way be responsible for delays caused by the United States Postal Service, other carriers, or for delays caused by any other occurrence. All Proposals must be manually and duly signed by an authorized corporate director or officer, authorized agent, or authorized partner (as applicable). All Proposals must be marked, on the outside sealed envelope, with the PROJECT NAME SPECIFIED ABOVE. The decision to refuse to consider a Proposal that was received beyond the date/time established above shall not be a basis for a protest.

All electronic proposals shall be submitted through Demandstar as outlined in Section 4.1.

4.4 Execution of Proposals. When a Proposer is a partnership, the Proposal shall be signed in the name of the firm and by all partners required to do so under the terms of their partnership agreement. When a corporation or limited liability company is a Proposer, the authorized director or officer signing the Proposal shall set out the legal name of the entity in full, beneath which said director or officer shall sign his or her name and give the title of his or her office, and the Proposal shall bear the seal of the corporation. Anyone signing the Proposal as an agent for the Proposer must file with the Proposal legal evidence of the authority to do so. A Proposer that is a corporation, a limited liability company or a limited partnership shall furnish to PSO a duly certified copy of its permit, certificate of registration with the Florida Secretary of State, or other authorization, if any, to transact business in the State of Florida, preferably along with the Proposal, and no later than forty-eight (48) hours after any request for the same is made by the PSO. In addition, any such authorization must be effective as of the date of the Proposal. Failure to submit evidence that the Proposer qualifies to transact business in the State of Florida as stated above may be the basis for rejection of the Proposal.

4.5 No Changes After Proposal is Delivered. Sealed Proposals may not be amended or otherwise changed by any writing placed outside the sealed proposal package; except, however, any such written external communication by a Proposer may be construed by the PSO as indicating a *withdrawal* of the proffered, sealed proposal to which the communication relates (thereby causing the Proposer to have issued *no proposal* for consideration by the PSO).

4.6 Other Responsibilities of the Proposer. The Proposer is solely responsible for reading and completely understanding the terms, conditions, and other requirements of the RFP/Contract Documents. The Proposal opening time shall be scrupulously observed. Under no circumstances will Proposals delivered after the delivery time specified be considered. Late Proposals will not be accepted.

4.7 Business Name Requirement. The Proposer must provide on the Pricing Form, Proposer/Certification Form, and if awarded, on all remittance of invoices for payment, the business name that is provided on their W9 Form. Additionally, if there is a name change and/or EIN number that is changed at any time, the Proposer must immediately notify the PSO Purchasing Department as to the change and provide all supporting documentation.

4.8 Withdrawal or Modification of Proposal. Proposals may be withdrawn on written or telegraphic requests dispatched by the Proposer in time for delivery in the normal course of business prior to the time fixed for the opening of Proposals; provided, however, that written confirmation of any telegraphic withdrawal over the signature of the Proposer is deposited with the United States Postal Service, postage pre-paid for first class or express mail delivery, and postmarked prior to the time set for the opening of Proposals. Except as specifically provided herein, no Proposer may modify a proposal after the appointed proposal opening time. Negligence on the part of the Proposer in preparing its Proposal confers no right of withdrawal or modification of its Proposal after PSO staff has opened such Proposal at the appointed time and place. Proposers may not withdraw or modify their Proposals after the appointed Proposal opening time. Said Proposals and any proposal security shall be in force for a period of not less than ninety (90) days after the proposal opening time. Further, said proposal security and Proposal shall continue in force

after said period of ninety (90) days, until thirty (30) days following the date of receipt by the PSO of written notice from the Proposer of its intent to withdraw its Proposal, or until the date specified in said written notice as the expiration date of the Proposal, whichever is later. The aforementioned proposal security or Proposal times will remain in effect irrespective of whether an award has theretofore been made by PSO. Notwithstanding the provisions of the preceding sentence, the Proposer may extend its Proposal at any time prior to the scheduled expiration thereof. Proposer may not assign or otherwise transfer their Proposals prior to, or after, the Proposal opening time.

4.9 Opening of Proposals. At the time and place fixed for the opening of Proposals (see above), every Proposal properly delivered within the time fixed for receiving Proposals will be opened and publicly read aloud, irrespective of any irregularities found therein. Any Proposer and other persons interested may be present or represented.

4.10 Power of Attorney. Attorneys-in-fact who sign bonds or other surety instruments must attach with each bond or surety instrument an effective and certified power of attorney.

4.11 Interpretation of Contract Documents. No interpretation of the meaning of the Drawings, Specifications, or other Contract Documents will be made to, or if made may be relied upon by, any Proposer except as expressly noted below. **Every request for such interpretation must be in writing, addressed to the Purchasing Manager, and emailed to purchasing@pascosheriff.org.** To be given consideration, such requests must be received prior to the question deadline as set by the solicitation. Any and all such interpretations and any supplemental instructions will be in the form of a written addendum which, if issued, will be posted at the Pasco Sheriff's Office Purchasing Department, and on the Pasco Sheriff's Office's public website under CITIZEN RESOURCES → RESOURCES → VENDOR RESOURCES and sent to each prospective Proposer, at the respective addresses furnished for such purposes not later than five (5) days prior to the proposal opening date. If requested, a copy may be obtained by the prospective Proposer or its representative at the Pasco Sheriff's Office Purchasing Department 19415 Central Boulevard, Land O' Lakes, FL 34637. Failure of any Proposer to acknowledge any such addendum or interpretation shall not relieve said Proposer from any obligation imposed in such addendum. All addenda so issued shall become part of the RFP/Contract Documents when the PSO has provided addenda within the time frame stated above. No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications of this solicitation.

4.12 Public Records, Confidential, Proprietary Information, or Trade Secrets. Upon award recommendation or thirty (30) days after the RFP opening, whichever is earlier, any material submitted in response to this RFP will become a "Public Record" and shall be subject to public disclosure pursuant to Chapter 119, Florida Statutes (Public Records Law). Proposers must claim the applicable statutory exemptions to protect submittals, stating the reasons why exclusion from public disclosure is necessary and legal. PSO reserves the right to make any final determination on the applicability of the Public Records Law. PSO will use reasonable efforts to protect the secrecy and confidentiality of and avoid disclosure or use of confidential or proprietary information or trade secrets, as defined in Florida Statute. In the event of dissemination, disclosure, or use of confidential or proprietary information or trade secrets information which is not permitted, PSO shall notify the other party promptly in writing and will use reasonable efforts to assist the other party in minimizing the damage resulting from an unauthorized disclosure. PSO

shall notify Proposer of any requests for information so designated and Proposer shall bear the costs of any litigation which arises out of a dispute whether such information qualifies as confidential or proprietary information or trade secrets. If Proposer is informed of a request for information which it has claimed to be confidential or proprietary information or trade secrets and it does not promptly respond, then the PSO shall deem that Proposer has abandoned its claim of the information being a confidential or proprietary information or trade secrets and disclose the documentation according to a public records request pursuant to Florida Statute 119.07. In the event Proposer should assert any proprietary, confidential, or trade secret status to any of its systems, methods, procedures or written materials and other controls employed by Proposer in the performance of its obligation pursuant to this Agreement, then Proposer shall assert such claim on its own, and shall defend and hold harmless the Pasco Sheriff's Office, the Sheriff, the Sheriff's employees, officers, appointees and agents against all liabilities for Proposer's failure to comply with the requirements of the law with regard to the release of records. Proposer's Confidential Information and/or Trade Secret information shall not be disclosed by PSO to any third party except as permitted under this Agreement or as required by law subject to compliance with the procedure set forth in these Articles.

Proposer shall be responsible for clearly identifying all proprietary/confidential information/trade secrets in its proposal documents as specified and for ensuring the submitted electronic copies are protected against restoration of redacted data.

5. CONTRACTOR LICENSING, REGISTRATION, AND CERTIFICATION

5.1 Each Proposer shall be properly licensed, registered, and/or certified, as necessary or otherwise appropriate, by the State of Florida, Pasco County, and/or any municipality in Pasco County. The PSO reserves the right to request copies of such licenses, registrations or certifications.

5.2 For categories of work that are exempt from licensing, registration, and/or certification requirements under Florida Statute, but where certification by the Florida Department of Transportation is available, the Proposer shall be certified by the Florida Department of Transportation in each category, as necessary or otherwise appropriate.

5.3 All required licenses, registrations, and/or certifications must be current and effective as of the Proposal Opening date and must be maintained throughout the life of the contract. Failure to be properly licensed, registered, and/or certified as of the Proposal Opening date will result in rejection of the proposal as non-responsive, and at any other time during the life of the contract shall constitute sufficient grounds for a declaration by the PSO that the Contractor is in default and for termination of the contract for cause by the PSO.

6. OFFICIAL DOCUMENTS

PSO is not responsible for expenses incurred prior to award, including any attorneys costs or fees resulting from a pre-litigation proposal protest. PSO officially distributes these Request for Proposal documents through an online system Demand Star at www.demandstar.com. These Request for Proposal documents may be downloaded at NO COST using this system. These Request for Proposal documents may also be obtained from the Pasco Sheriff's Office's public

website www.PascoSheriff.com under CITIZEN RESOURCES → RESOURCES → VENDOR RESOURCES. Copies of these Request for Proposal documents obtained from other sources are not considered official and should not be relied upon. PSO is not responsible for documents obtained from sources other than Demand Star or our public website. Vendors are responsible for acquiring knowledge of changes, modifications, or additions to official Request for Proposal documents. Vendors who submit responses and later claim they did not receive complete documents or had no knowledge of any change, modifications, or additions made to the official Request for Proposal documents shall still be bound by the Request for Proposal, including any changes, modifications, or additions to the official Request for Proposal documents. **IF YOU OBTAINED A REQUEST FOR PROPOSAL DOCUMENT FROM A SOURCE OTHER THAN THE DEMANDSTAR ONLINE SYSTEM OR THE PASCO SHERIFF'S OFFICE PUBLIC WEBSITE, IT IS HIGHLY RECOMMENDED THAT YOU REGISTER AS A VENDOR AND DOWNLOAD THE OFFICIAL DOCUMENT AT WWW.DEMANDSTAR.COM OR FROM OUR PUBLIC WEBSITE WWW.PASCOSHERIFF.COM AT NO COST.**

7. CONFLICT OF INTEREST

The Proposer, by submission of its Proposal, certifies that to the best of his/her knowledge or belief, no elected/appointed official or employee of PSO is financially interested, directly or indirectly, in the offer of goods or services specified in this Request for Proposal.

8. DEBARMENT

By submitting a Proposal, the Proposer certifies that it is not currently debarred from submitting proposals for contracts issued by any political subdivision or agency of the State of Florida and that it is not an agent of a person or entity that is currently debarred from submitting proposals for contracts issued by any subdivision or agency of the State of Florida.

9. COLLUSION AMONG PROPOSERS

Each Proposer, by submitting a proposal, certifies that it is not a party to any collusive action or any action that may be in violation of the Sherman Antitrust Act. Any or all proposals shall be rejected if there is any reason for believing that collusion exists among the proposers. PSO may or may not, at its discretion, accept future proposals for the same work from participants in such collusion. More than one (1) proposal from an individual, firm, partnership, cooperation, or association under the same or different names may be rejected. Reasonable grounds for believing that a Proposer has interest in more than one (1) proposal for the work being proposed may result in rejection of all proposals in which the Proposer is believed to have interest. Nothing in this clause shall preclude a firm acting as a subcontractor to be included as a subcontractor for two (2) or more primary contractors submitting a proposal for the work.

10. TAXES

The attention of the Proposer is directed to the fact that the tax laws of the State of Florida, including but not limited to Chapter 212, Florida Statutes, apply to this matter, and that all

applicable taxes and fees shall be deemed to have been included in Proposal of the Proposer. However, PSO is a tax exempt organization and will provide a tax exempt certificate upon request.

11. PROPOSAL ERRORS

The Proposer should initial erasures or corrections in any Proposal in ink. PSO shall reject any Proposal with such erasures or corrections where PSO staff concludes it cannot determine with certainty the accuracy or intent of said Proposal, as corrected. In the case of unit price contracts, if an error is committed in the listed price of an item, the Contractor shall be bound by the lower of the unit price as shown in the Proposal or Contractor's stated price. Unit prices will be utilized to adjust the total compensation due the successful Proposer based on actual quantities encountered. *No negotiation of these unit prices after contract award will be allowed.* Significant changes in quantities, including total deletions, are possible. Therefore, each Proposer shall proportionately distribute overhead and profit across the unit prices.

12. DEVIATIONS

No material deviations or exceptions shall be accepted with the Proposal. This shall not preclude the proposal of substitute brand names, pursuant to paragraph 14 below.

13. CONDITION OF MATERIALS AND PACKAGING

The successful Proposer shall be solely responsible for making any and all claims against carriers as concerns missing or damaged items.

14. BRAND NAMES, REQUESTED INFORMATION, AND DESCRIPTIVE LITERATURE

In instances where the RFP/Contract Documents make this subject applicable, any use therein of brand names, manufacturer's makes, trade names, information and/or catalog numbers are so used for the purpose of providing description and for establishing acceptable quality levels. Such references are not intended for the purpose of placing restrictions upon a Proposer (other than as to quality), and any Proposer may propose and describe brands believed to be equal or better than the otherwise-specified brand. The burden of proof that the brand proposed by the Proposer is in fact equal to that referenced in the RFP/Contract Documents lies exclusively with the Proposer. In the event that PSO staff determines that the equal proposed by the Proposer does not meet the specifications, the successful Proposer shall be required to provide the named brand item, or an equal acceptable to PSO, at no additional cost to PSO.

Each Proposer must furnish all requested information in the spaces provided on the Proposal (Part III). Additionally, where required pursuant to the provisions of this request for proposal package,

each Proposer must submit the following with their Proposal: catalog cuts, sketches, descriptive literature, and/or complete specifications relative to the items proposed and offered. References to previously submitted material concerned with previous Proposals are not acceptable to PSO.

15. COMPLIANCE WITH OCCUPATIONAL SAFETY AND HEALTH ACT

All material, equipment, etc., as proposed and offered by a Proposer, in instances where applicable due to the nature of the matter with which this RFP package is concerned, must meet and conform to all O.S.H.A. requirements as set forth in Subpart E of the O.S.H.A. Standards for Construction (29 CFR 1926), as amended. The signature of the Proposer or of the authorized representative thereof upon the Proposal (Part III) shall constitute certification of such fact.

16. TIME IS OF THE ESSENCE; LIQUIDATED DAMAGES

Each Proposer is reminded that *time is of the essence of this Agreement*, and failure to complete the Work on time shall constitute a material breach of the Agreement, the basis for a determination of the default of the Contractor, and termination of the Agreement for cause. If the RFP/Contract Documents so indicate, an amount determined for liquidated damages at the daily rate specified shall be assessed against the successful Proposer not complying with a stated delivery time or performance time (or similarly stated information) as found in the Agreement (Part IV).

17. ASSIGNMENT OF THE CONTRACT

No successful Proposer may make any assignment of any resulting Agreement between the parties, in whole or in part, without the prior written authorization of the PSO, which authorization shall remain the exclusive option of the PSO or its designee.

Proposer #2 Price = \$40,000.00	$\frac{\$50,000.00}{\$40,000.00} \times 40 \text{ points} = 1.25 \times 40 = 50 \text{ pts}$

In the event a calculated score results in a decimal number, the final value for this section will be rounded to the nearest tenth.

Total scoring is a mathematical addition of the criteria score. Consideration for award is determined by the objective scoring criteria shown as outlined in these documents. The evaluation of responses will be made on the basis of comparative fulfillment of the criteria, as outlined above. In the event a Proposal is non-responsive in any category, it may be stricken as non-responsive and will not be considered. Complete and accurate responses to all items are necessary for the complete and fair evaluation of Proposals.

The selected Proposer will be so notified by PSO staff, and shall be required, upon receiving such notice, to complete the Contractor Responsibility Survey form and provide all information and documentation requested therein. If, after reviewing the responsibility survey and accompanying submissions, the PSO elects to reject the selected proposer based on its responsibility evaluation, the PSO may perform the same responsibility evaluation, in succession, with each apparent next selected proposer until the contract is awarded to a suitable candidate or withdrawn.

No award of the contract shall be made until the Proposer who has received from the PSO a Notice of Intent to Award has submitted to PSO any required performance bond, payment bond, and any

and all insurance certificates and such other further documentation as may be required by PSO as a condition precedent to such an award.

A Proposal may be rejected upon the failure of a selected Proposal to provide to PSO in a timely fashion any such required documentation. The PSO, in its sole discretion, reserves the right to reject any and all Proposals and to waive any informality concerning Proposals whenever such rejection or waiver is deemed by the PSO to be in the best interests of the PSO. Likewise, PSO reserves the right to reject the Proposal of any Proposer that has previously failed to perform properly, or to complete on time, contracts of a similar nature; that is not, or does not appear to the satisfaction of PSO, in a position to perform the contract; or that has habitually, and without just cause, neglected the payment of bills or otherwise disregarded its obligations to subcontractors, material men, or employees.

The ability of a Proposer to obtain a performance bond or a payment bond, if required, shall not be regarded as the sole test of the competency or responsibility of any Proposer. In the event a selected proposal exceeds the PSO's budget amount from the appropriation, the PSO reserves the right to purchase by negotiation.

19. EXECUTION OF WRITTEN CONTRACT

For Projects involving funds from DEP, EPA, or involving state or federal funds, or a state appropriation, the ten (10) day period will not begin to run until after PSO has received approval of the award by the applicable awarding state/federal agency or DEP and/or EPA, as applicable. A decision by PSO to procure and pay for such insurance coverage shall not operate as a waiver of any of its rights under the Contract Documents.

2.2.9 In addition to being listed as a certificate holder, all liability insurance policies obtained by the CONTRACTOR to meet the requirements of the Contract Documents, other than the Worker's Compensation and Employer's Liability Policy, shall provide that the PSO, the Sheriff, and its employees and agents, shall be "additional insureds" under the Policy and shall also incorporate a Severability of Interest provision. The required Certificates of Insurance shall name the types of policies provided, and shall refer specifically to this Contract.

2.3 Untimely Submission. The failure of the Contractor to submit the required Certificates of Insurance within the times required by these Articles may result in a delay in issuing the Award. The parties specifically agree that such a delay is neither excusable nor compensable and will not entitle the Contractor to a change in the Contract Price or Time. The PSO also reserves the right to reject the Contractor’s Proposal and to award the contract to the next selected Proposer if the required documents are not received within the timeframe specified herein.

2.4 Indemnification

2.4.1 The CONTRACTOR shall indemnify and hold harmless the PSO, the Sheriff of Pasco County, and the employees and agents of PSO from, and against, all liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to attorneys’ fees, arising out of, or resulting from, the performance of the Work, provided

that any such liability, claim, suit, demand, damage, loss or expense: (a) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom; and (b) is caused in whole or in part by the negligence, recklessness or intentional wrongful misconduct of the CONTRACTOR, any SUBCONTRACTOR, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable in the performance of the Work and/or Contract.

2.4.2 In any and all claims against PSO, the Sheriff of Pasco County, or against any of the agents or employees of PSO, by any employee of the CONTRACTOR, any SUBCONTRACTOR, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under the previous paragraph shall not be limited in any way as to the amount or type or damages, compensation or benefits payable by or for the CONTRACTOR or any SUBCONTRACTOR under workmen's compensation acts, disability benefit acts, or other employee benefit acts.

2.4.3 The CONTRACTOR shall indemnify and hold harmless the PSO and anyone directly or indirectly employed by the PSO from and against all claims, suits, demands, damages, losses, and expenses including, but not limited to, attorney's fees, arising out of any infringement of patent rights, copyrights, trademarks, trade dress, or other intellectual property rights held by others, and shall defend all such claims in connection with any alleged infringement of such rights.

2.4.4 The CONTRACTOR shall, at the option of PSO, underwrite on an interim basis all expenses associated with the legal defense of the PSO, pending the outcome of any litigation through appeal, with respect to any liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, for which the CONTRACTOR may be liable to PSO, in whole or in part, pursuant to the above, irrespective of whether said liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, may ultimately be found by a court of law to have been caused, in whole or in part, by the negligence or other fault of PSO. In discharging this duty to PSO, the CONTRACTOR shall strictly account to PSO on a monthly basis for all expenditures so incurred. Upon the conclusion of any litigation through appeal, to the extent that the CONTRACTOR has been found less than fully liable for any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, PSO shall reimburse the CONTRACTOR for that portion of the reasonable costs of underwriting the legal defense of PSO.

2.4.5 Notwithstanding any language to the contrary which may be contained herein, the ultimate duty of the CONTRACTOR to indemnify and hold PSO harmless shall be limited to the extent that any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, are caused by the negligence, recklessness, or intentional wrongful misconduct of the indemnifying party and persons employed or utilized by the indemnifying party in the performance of this contract.

ARTICLE 3 – RESPONSIBILITIES OF THE CONTRACTOR

3.1 Supervision. The CONTRACTOR shall be solely responsible for the means, methods, techniques, sequences, and procedures of procurement, delivery, and assembly unless specifically addressed in the Contract Documents. The CONTRACTOR shall be responsible for seeing that the finished Work complies accurately with the Contract Documents.

3.2 Labor, Materials, and Equipment. The CONTRACTOR shall provide and pay for competent, suitable, qualified personnel to perform as required by the Contract Documents. The CONTRACTOR shall at all times maintain good discipline and order on the Site, if assembly is occurring on site.

3.2.1 All products shall meet or exceed contract specifications and, except as may otherwise be provided in the Contract Documents, shall be new and of good quality.

3.3 Substitute Materials or Equipment. In the event the CONTRACTOR notifies the PROJECT MANAGER that certain materials or equipment described in the CONTRACT cannot be procured by the CONTRACTOR for the project, PSO may, as its option:

a. Waive any specification with respect to said product, authorize acceptable product, and make an appropriate adjustment to the amounts due the CONTRACTOR for the cost of said materials or equipment, including labor, and other expenses associated with the change.

Approval of any change in costs or schedule as a result of tentative acceptance of the substitute by the DIRECTOR, based on the recommendation of the PROJECT MANAGER, shall be by Change Order.

3.4 Laws and Regulations. The CONTRACTOR shall give all notice and comply with all laws, ordinances, rules, and regulations applicable to the Work. If the CONTRACTOR observes that any of the Contract Documents are contradictory to such laws, rules, and regulations, the CONTRACTOR will notify the PROJECT manager promptly in writing. An appropriate Change Order shall then be used to institute any necessary changes. If the CONTRACTOR performs any Work that it knows or should have known to be contrary to such laws, ordinances, rules and regulations and without such notice to the PROJECT MANAGER, the CONTRACTOR shall bear all related costs.

3.4.1 LAW COMPLIANCE. Each party will comply with all applicable federal, state and local laws, rules, regulations and guidelines, related to performance under this Agreement. In particular, the CONTRACTOR verifies and affirms that it is in compliance with 8 USC Sec. 1324 prohibiting the employment either directly or by contract, subcontract or exchange of unauthorized aliens in the United States. PSO will consider the employment of unauthorized aliens by any CONTRACTOR during the term of the Agreement a violation of the Immigration and Nationality Act. Such violation shall be cause for unilateral cancellation of this Agreement by PSO.

3.8 Use of Premises. If assembly is to occur on-site, CONTRACTOR shall confine its storage of materials and equipment, and the operations of its workers to the area permitted by law, ordinances, permits, or the requirements of the Contract Documents. The CONTRACTOR shall not unreasonably encumber the Site with materials and equipment. Any loss or damage to the materials or equipment of the CONTRACTOR or of any SUBCONTRACTOR shall be solely at the risk of the CONTRACTOR. Additionally, PSO shall exercise control of the premises at all times and the CONTRACTOR may not have the sole, exclusive use of the premises.

3.13 Cleaning Up. The CONTRACTOR shall maintain the Site free from accumulations of waste materials, rubbish, and other debris resulting from the Work on a daily basis. At the completion of the Work, the CONTRACTOR shall remove all waste materials, rubbish, and debris from the Site as well as all tools, and surplus materials and will leave the Site clean and ready for occupancy by PSO. In addition to any other rights available PSO under the Contract Documents, the failure of the CONTRACTOR to maintain the Site may result in the withholding by PSO of any amounts due CONTRACTOR. PSO also reserves the right, upon the CONTRACTOR'S failure to perform clean-up activities, after written notice, to use its own forces or a third party contractor and to delete the costs incurred from any amount due the CONTRACTOR. The CONTRACTOR will restore to original condition those portions of the Site not designated for alteration by the Contract Documents as part of its obligations under the Contract.

ARTICLE 4 – WORK BY OTHERS

4.1 PSO may perform additional Work related to the Project with its own forces or may carry out such Work through direct contract with third-party contractors. The CONTRACTOR shall provide any third-party contractors, including, but not limited to, the employees, agents, subcontractors, and suppliers of such third-party contractors (or of the forces of PSO) performing the additional Work, reasonable opportunity for the introduction and storage of materials and equipment, and for the execution of work, and shall properly connect and coordinate its Work with theirs. The CONTRACTOR is not entitled to exclusive use of the Site. PSO reserves the right to accept or reject Work related to the Project based on the quality of Work performed by the CONTRACTOR or its SUBCONTRACTORS.

ARTICLE 5 - RESPONSIBILITIES OF PSO

5.1 PSO shall issue all communications to the CONTRACTOR through the PROJECT MANAGER, except for authorization required by Change Order pursuant to the Contract Documents.

5.2 PSO shall make payments to the CONTRACTOR when due as outlined in these documents.

ARTICLE 6 – CHANGES IN THE WORK

6.1 Without invalidating the Agreement, PSO may from time to time, order additions, deletions, or revisions in the Work. The CONTRACTOR shall promptly submit a written proposal for the changed work prepared in accordance with the requirements outlined in these documents. If the

proposal request calls only for the deletion of Work, the PROJECT MANAGER, with the consent of the DIRECTOR, may order the partial suspension of any Work related to the proposed deletion, in which case the CONTRACTOR must cease performance as directed; the CONTRACTOR shall not be entitled to additional compensation or an increase in the Contract Time as a result of the suspension. The CONTRACTOR shall not be entitled to claim lost profits on deleted work. All changed Work shall be executed under the applicable conditions of the Contract Documents.

6.2 Additional Work performed by the CONTRACTOR without authorization, as represented by a properly executed Change Order approved by the SHERIFF or his designee, as specified herein, will not entitle the CONTRACTOR to an increase in the Contract Price or to an extension of the Contract Time, except in the case of a bona fide emergency as provided herein. No other employee or representative of PSO including, but not limited to, the PROJECT MANAGER and the DIRECTOR, has the authority to approve a Change Order on behalf of PSO. **The effect of this paragraph shall remain paramount and shall prevail irrespective of any conflicting provisions contained in these Contract Documents.**

6.3 Upon agreement between the PROJECT MANAGER and the CONTRACTOR as to changes in the Work to be performed, subject to consent of the DIRECTOR, or with respect to a claim by the CONTRACTOR for Work performed in an emergency as provided herein, the CONTRACTOR will prepare a written Change Order to be signed and submitted to the PROJECT MANAGER and/or the Professional (as directed by the PSO) for transmission by the DIRECTOR to the SHERIFF for approval.

6.4 In the absence of agreement between the PROJECT MANAGER and the CONTRACTOR or consent of the DIRECTOR as provided in paragraph 6.3, PSO may, in its sole discretion, issue a unilateral Change Order to the CONTRACTOR. Pricing of the unilateral Change Order will be in accordance with Section 7.1.5. The Change Order will specify a price, and if applicable, a time extension determined to be reasonable by PSO. If the CONTRACTOR fails to sign said Change Order, the CONTRACTOR shall nevertheless be obligated to fully perform the work as directed by the Change Order.

6.5 Should the CONTRACTOR make a claim for an increase in Contract Time or an increase in Contract Price, then upon the request of the PROJECT MANAGER, the claim shall be accompanied by an affidavit stating that:

- a. The claim is made in good faith;
- b. The supporting data have been thoroughly reviewed by the CONTRACTOR and are accurate and complete to the best knowledge and belief of the CONTRACTOR; and
- c. The amount requested accurately reflects the contract adjustment for which the CONTRACTOR believes PSO is liable.

Absent such affidavit, if requested by the PROJECT MANAGER, the claim will not be considered. Submission of the affidavit shall be a condition precedent to the commencement by the CONTRACTOR of any action at law or in equity against PSO.

6.6 If PSO determines the CONTRACTOR has submitted a baseless, frivolous, unsupported, exaggerated, or otherwise spurious request for a Change Order or Claim, PSO shall deduct from any amounts due the CONTRACTOR the costs incurred by PSO in reviewing and responding to that Change Order request or Claim. Deductible costs include, but are not limited to, any costs incurred by PSO or its PROFESSIONAL to review and respond to the requested Change Order or Claim.

6.7 The CONTRACTOR shall proceed diligently with performance of the Work as directed by PSO, regardless of pending claims or actions, unless otherwise agreed to in writing.

ARTICLE 7 – CHANGE OF CONTRACT PRICE

7.1 The Contract Price

7.1.1 The Contract Price is as defined in Article II. All duties, responsibilities, and obligations assigned to or undertaken by the CONTRACTOR shall be at its expense without change in the Contract Price.

7.1.2 The Contract Price represents the total compensation to which the CONTRACTOR may be entitled under the terms of these Contract Documents, which Contract Price is based upon the estimated quantities of items listed therein or a lump sum price. The actual total compensation paid to the CONTRACTOR for the Work described in these Contract Documents may vary due to:

- a. Adjustments in pay quantity/quantities resulting from changes in item quantity/quantities; and/or
- b. Adjustments in pay quantity/quantities as otherwise permitted by these Contract Documents.

7.1.3 The Contract Price may only be increased or decreased by a written Change Order. Any claim for an increase shall be in writing and delivered to the PROJECT MANAGER within seven (7) days of the first occurrence of the circumstances necessitating an increase. Written supporting data will be submitted to the PROJECT MANAGER within fifteen (15) days after said occurrence, unless the DIRECTOR, in his absolute discretion, allows additional time.

7.1.4 If Parties are unable to agree on a price for the changed Work, PSO shall establish a reasonable price for the same in accordance with Article 7.2. PSO shall then process a unilateral Change Order, specifying the said reasonable price, in accordance with paragraph 6.5. The

7.2 Cost of Work

7.2.1 The term “Cost of Work”, when used in connection with Change Orders, means the costs necessarily incurred and paid by the CONTRACTOR in the proper performance of the Change Order Work. Except as may be agreed to in writing by the PROJECT MANAGER, such costs shall be in amounts no higher than those prevailing in the relevant market for substantially similar work associated with projects akin to the Project, and shall be limited to the following categories:

- a. Actual cost of Labor (payroll, taxes, fringe benefits, worker’s compensation, health and retirement benefits, sick leave) to perform change order work;
- b. Tools used to assemble the product;
- c. Product; and
- d. Extra Bonds, if applicable, and Insurance.

7.2.2 The CONTRACTOR shall require all SUBCONTRACTORS and suppliers to comply with all requirements of, and provide itemizations of, all claims in accordance with these Articles.

7.2.3 The term “Cost of the Work”, when used in connection with Change Orders, shall not include any of the following:

- a. Payroll costs and other compensation of the officers, executives, principals (of partnership and sole proprietorships), general managers, engineers, architects, estimators, lawyers, auditors, accountants, purchasing and contracting agents, expeditors, timekeepers, job superintendents, Project managers, and clerks of the CONTRACTOR, and all personnel employed by the CONTRACTOR, whether at the Site, at the principal office of the CONTRACTOR, at a branch office of the CONTRACTOR, or elsewhere, for general administration of the Change Order Work and not specifically included in the agreed-upon schedule of job classifications, all of which are to be considered administrative costs covered by the Fee of the CONTRACTOR;
- b. Extraordinary fringe benefits not specifically identified in Article 7.2;
- c. Expenses of the principal and branch offices of the CONTRACTOR, other than the office of the CONTRACTOR at the Site;
- d. Field overhead costs, including, but not limited to, the cost on-site temporary facilities and the on-site supervision provided by the CONTRACTOR; compensation for these costs will be considered only if the Final Completion date is extended by a Change Order or Allowance Authorization Release.

e. Any part of the capital expenses of the CONTRACTOR, including interest on the capital used by the CONTRACTOR for the Change Order Work and charges against the CONTRACTOR for delinquent payments;

f. Cost of premiums for all bonds and insurance, whether or not the CONTRACTOR is required by the Contract Documents to purchase and maintain the same (except for additional bonds and insurance required because of changes in the Work).

g. Costs due to the negligence of the CONTRACTOR, any SUBCONTRACTOR, or anyone directly or indirectly employed by any of them, or for whose acts any of them may be liable, including, but not limited to, the correction of defective Work, disposal of materials or equipment wrongly supplied, and correcting for any damage to property;

h. All overhead or general expense costs of any kind (other than as provided in Article 7.3).

7.3 Non-Recoverable Items. Notwithstanding any other provision of the Contract Documents, the parties agree that for any claim filed by the CONTRACTOR on this Project, whether on account of delay, acceleration, breach of contract or otherwise, PSO will not have any liability for the following items of damage or expense:

1. Loss of profit, incentives or bonuses;
2. Any claim for other than extra work or delay;
3. Consequential damages, including but not limited to, loss of bonding capacity; loss of opportunities; loss of credit standing; cost of financing; interest paid; loss of other Project or insolvency;
4. Acceleration costs and expenses, except where PSO has expressly and specifically directed the CONTRACTOR in writing “to accelerate at PSO’s expense”; and/or
5. Attorney fees, claims preparation expenses and costs of litigation.

ARTICLE 8 – WARRANTY AND GUARANTEE: ACCEPTANCE OF DEFECTIVE WORK

8.1 Warranty and Guarantee. The CONTRACTOR warrants and guarantees to PSO that all products will be new unless otherwise specified, and that all Work will be of good quality, performed in a workmanlike manner, free from faults or defects, and in accordance with the requirements of the Contract Documents. All unsatisfactory Work, all faulty Work, and all Work not conforming to the requirements of the Contract Documents shall be considered defective. The PROJECT MANAGER shall give notice of all defects to the CONTRACTOR. All defective

Work, whether or not in place, may be rejected, corrected, or accepted as provided in this Article.

8.2 Stop Work. When Work is defective, or when the CONTRACTOR fails to supply sufficient skilled workmen or suitable materials or equipment, or to make prompt payments to SUBCONTRACTORS for labor, materials, or equipment, or if the CONTRACTOR violates any provision of these Contract Documents, the DIRECTOR may order the CONTRACTOR to stop the Work until the cause for such order has been eliminated. However, this right of the DIRECTOR to stop the Work shall not give rise to any duty on the part of the DIRECTOR to exercise this right for the benefit of the CONTRACTOR or any other party. The CONTRACTOR shall have no right to claim an increase in the Contract Price or Contract Time or other damages for a stop work order issued under this paragraph.

8.3 Correction or Removal of Defective Work

8.3.1 When directed by PSO or its PROJECT MANAGER, the CONTRACTOR shall promptly, without cost to PSO and as specified by PSO or its PROJECT MANAGER, either correct the defective product and/or assemble product.

ARTICLE 9 – PAYMENT AND COMPLETION

9.1 Continuing Obligation of the CONTRACTOR. The obligation of the CONTRACTOR to perform the Work and complete the Project in accordance with the Contract Documents shall be absolute. The approval by PSO of any progress payment or Final Payment, the issuance of a Certificate of Substantial Completion, any payment by PSO to the CONTRACTOR under the Contract Documents shall not constitute, or be deemed or construed to constitute, an acceptance of Work not in accordance with the Contract Documents, as amended by any properly executed Change Order(s) issued during the term of the Contract.

ARTICLE 10 – TERMINATION

10.1 Termination of Work

10.2.1 If the CONTRACTOR is adjudged bankrupt or insolvent, if it makes a general assignment for the benefit of its creditors, if a trustee or receiver is appointed for it or for any of its property, if it files a petition to take advantage of any debtor's act or to reorganize under the bankruptcy or similar laws, if it repeatedly fails to supply sufficient skilled workmen or suitable materials or equipment, or make prompt payments to SUBCONTRACTORS, or prompt payments for labor, materials, or equipment; if it disregards laws, ordinances, rules, regulations, or orders of any public body having jurisdiction; if it fails to submit the bonds, if applicable, and Certificates of Insurance within the times required; or if it otherwise materially violates any provisions of the Contract Documents, then SHERIFF or his designee may, without prejudice to any other right or remedy and after giving the CONTRACTOR seven (7) days written notice, terminate the services of the CONTRACTOR. In such case, the CONTRACTOR shall not be entitled to receive any further payment until the Work is completed. If the unpaid

balance of the Contract Price exceeds the direct and indirect cost of completing the Project, including compensation for additional professional services, such excess shall be paid to the CONTRACTOR. If such cost exceeds the unpaid balance, the CONTRACTOR shall pay the difference to PSO. Such cost incurred by PSO shall be incorporated in a Change Order. If, after the issuance of Notice of Termination of this Agreement, it is determined for any reason that the CONTRACT was not in default, or that its default was excusable, or PSO was not entitled to the remedy against CONTRACTOR provided herein, the termination will be deemed to be a termination for convenience pursuant to paragraph 10.2.3, and the remedies of the CONTRACTOR against PSO shall be the same as, and limited to, those afforded under said paragraph.

10.2.2 Where the services of the CONTRACTOR have been so terminated pursuant to paragraph 10.2.1 by PSO, said termination shall not affect any rights of PSO against the CONTRACTOR then existing, or which may thereafter accrue. Any retention or payment of monies by PSO due the CONTRACTOR will not release the CONTRACTOR from any liability whatsoever.

10.2.3 Termination for Convenience

10.2.3.1 In return for good and valuable consideration, which is acknowledged by the CONTRACTOR, PSO may terminate the required performance of Work by the CONTRACTOR under this Agreement, in whole or in part, whenever PSO shall determine that such complete or partial termination is in the best interest of PSO. Any such termination shall be effected by delivery to the CONTRACTOR of a Notice of Termination for Convenience, specifying the extent to which the performance of Work under the Agreement shall be terminated, and the date upon which such termination shall be effective.

10.2.3.2 After receipt of a Notice of Termination for Convenience, and except as otherwise directed by PSO, the CONTRACTOR shall:

- a. Stop Work under this Agreement on the date, and to the extent, specified in the Notice of Termination for Convenience;
- b. Place no further orders or subcontracts for materials, services, or facilities, except as may be necessary for the full and proper completion of that portion of the Work under this Agreement not to be terminated;
- c. Terminate all orders and subcontracts to the extent that they relate to the performance of Work terminated by the Notice of Termination for Convenience;
- d. In the sole and absolute discretion of PSO, the CONTRACTOR shall either:

i. Assign to PSO, in the manner, at the time, and to the extent directed by the PROJECT MANAGER, with the consent of the DIRECTOR, all of the right, title, and interest of the CONTRACTOR under some or all of the orders and subcontracts so terminated; or

ii. Settle all outstanding liabilities and all claims arising out of such termination of unassigned orders and subcontracts.

e. Transfer title and deliver to PSO, in the manner, at the times and to the extent, if any, directed by the PROJECT MANAGER, with the consent of the DIRECTOR, the fabricated or un-fabricated parts, work in process, completed work, supplies, and other material produced as a part of, or acquired in connection with the performance of the Work terminated by the Notice of Termination for Convenience.

f. Complete performance of that part of the Work not terminated by the Notice of Termination for Convenience.

g. Take all such action as may be necessary or prudent, or as PSO may direct, for the protection and preservation of the property related to this Agreement which is in the possession of the CONTRACTOR and in which PSO has, or may acquire, an interest.

10.2.3.3 After the receipt of a Notice of Termination for Convenience, the CONTRACTOR shall submit to PSO its termination claim. Such claim shall be submitted promptly, but in no event later than four (4) months from the effective date of termination, unless one or more extensions in writing are granted by the DIRECTOR in his absolute discretion. No claim will be allowed for machinery and equipment rental expense incurred after the effective date of the Notice of Termination for Convenience. Upon the failure of the CONTRACTOR to submit its termination claim within the time allowed, PSO shall determine, on the basis of information available to it, the amount, if any, due to the CONTRACTOR by reason of the Termination for Convenience.

10.2.3.4 The CONTRACTOR and PSO may agree upon the whole or any part of the amount or amounts to be paid to the CONTRACTOR by reason of the complete or partial Termination for Convenience, which amount or amounts may include a reasonable allowance for profit on Work done; provided, that such agreed amount or amounts, exclusive of settlement costs, shall not exceed the total Contract Price as reduced by the amount of payments otherwise made, and as further reduced by the Contract Price of Work not terminated. The Agreement shall be amended accordingly, and the CONTRACTOR shall be paid the agreed amount.

10.2.3.5 In the event of the failure of the CONTRACTOR and PSO to agree, as provided in paragraph 10.2.3.4, on the whole amounts to be paid to the CONTRACTOR by reason of any Termination for Convenience, PSO shall determine, on the basis of information available to it, with respect to all Work performed prior to the effective date of the Notice of Termination for Convenience, the total (without duplication of any items) cost of such work and a sum, as profit, equal to seven (7) percent of said cost of the Work; provided, however, that if it appears that the CONTRACTOR would have sustained a loss on the entire Contract had it been completed, no profit shall be included or allowed, and an appropriate adjustment shall be made, reducing the amount of the settlement to reflect the indicated rate of loss. In no event will the CONTRACTOR be entitled to recover any anticipated or lost profit.

10.2.3.6 The total sum to be paid to the CONTRACTOR shall not exceed the total Contract Price, as reduced by the amount of payment otherwise made, and as further reduced by the Contract Price of Work not terminated. Except for normal spoilage, and except to the extent that PSO shall have otherwise expressly assumed the risk of loss, there shall be excluded from the amounts payable to the CONTRACTOR the fair value, as determined by PSO, of property which has been destroyed, lost, stolen, or damaged so as to become undeliverable to PSO.

10.2.3.7 In arriving at the amount due the CONTRACTOR following a Termination for Convenience, there shall be deducted:

- a. All unliquidated advance or other payments on account theretofore made to the CONTRACTOR, applicable to the terminated portion of this Agreement;
- b. Any claim which PSO may have against the CONTRACTOR in connection with this Agreement; and
- c. The agreed price for, or the proceeds from the sale of, any materials, supplies, or other things kept by the CONTRACTOR or sold, pursuant to the provisions hereof, and not otherwise recovered by, or credited to, PSO.

10.3 Cross-Default. Should the CONTRACTOR be determined by PSO to be in default of this Agreement, such default shall constitute a default of all other contracts to which PSO and the CONTRACTOR may be a party. PSO, as a result, may pursue any and all remedies available to it up to and including termination of all such contracts between the parties.

ARTICLE 11 – IMMIGRATION LAWS

11.1 Compliance with Federal Immigration Laws. The CONTRACTOR by signing the contract will comply with all applicable federal, state and local laws, rules, regulations and guidelines, related to performance under this Agreement. 11.2 Compliance with Department of Homeland Security E-Verify Program. Contractor and PSO shall comply with Florida Statute 448.095, as currently written, or as hereafter amended. In the event of a conflict between the below language and an amendment to Florida Statute 448.095, the amendment shall govern. The PSO is a public employer participant in the Department of Homeland Security's Image Program and utilizes E-verify to ensure its employees are appropriately authorized to work in the United States. On or before January 1, 2021, CONTRACTOR and any/all of CONTRACTOR's subcontractor(s) shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. Said records and documentation shall be retained by the CONTRACTOR for a minimum of five (5) years from the date of final completion or termination of this Agreement. PSO shall have the right to audit, inspect, and copy such records and documentation, and any and all such records of the CONTRACTOR as may relate to this, or any other, Project and Agreement between the CONTRACTOR and PSO, or to any legal, administrative, or other action brought against PSO by the CONTRACTOR or any other person, as often as PSO deems necessary, during the period of this Agreement and for a period of five (5) years thereafter; provided, however, such activity shall be conducted only during normal business hours. PSO during this period of time shall also have the right to obtain a copy of and otherwise inspect any audit made at the direction of the CONTRACTOR as concerns the aforesaid records and supporting documentation. The CONTRACTOR shall, at all times, take all reasonable steps necessary to ensure and to enforce the right of PSO to access the aforesaid documentation.

12.2 PUBLIC RECORDS. CONTRACTOR shall comply with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, CONTRACTOR shall (a) keep and maintain public records required by the PSO to perform the service under the Agreement; (b) upon request from the PSO's custodian of public records provide PSO with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if CONTRACTOR does not transfer the records to PSO; and (d) upon completion of the contract, transfer, at no cost to PSO, all public records in possession of CONTRACTOR. Upon transfer, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and

exempt from public records requirements. All records stored electronically must be provided to PSO in a format that is compatible with the information technology systems of PSO. All documentation produced as part of this Agreement will become the property of PSO. At the end of this Agreement, all documents kept and maintained by Contractor shall be provided to PSO, at no cost to PSO. This paragraph shall survive the expiration or termination of this Agreement.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (727) 847-5878, records@pascosheriff.com, 8700 CITIZENS DR., NEW PORT RICHEY, FL 34654.
